

**APPLICATION TO BE A SCIENCE ASSOCIATE (SA)  
PHYSICS AND ASTRONOMY, SPRING, 2008**

**1) Personal info:**

NAME \_\_\_\_\_ MAJOR \_\_\_\_\_ CLASS \_\_\_\_\_  
email \_\_\_\_\_ CAMPUS PHONE \_\_\_\_\_  
Today's date \_\_\_\_\_

**2) About the job:** A Physics or Astronomy SA attends anywhere from one lecture to all of the weekly lectures associated with the course. (How many you attend depends both on your familiarity with the course, and the judgement of the course instructor). The SA also facilitates one evening help session per week, and participates in regular meetings with the SA coordinator, for a total commitment of anywhere from 4-6 hours/week.

**3) Relevant Experience:**

**Physics Courses Taken**

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

**Other relevant Math, Eng, or  
Science Courses Taken**

\_\_\_\_\_  
\_\_\_\_\_

**Teaching or tutoring Experience**

\_\_\_\_\_  
\_\_\_\_\_

**Education courses taken**

\_\_\_\_\_  
\_\_\_\_\_

**Have you been an SA before?** \_\_\_\_\_

**If so, for what course and in what semester/year?** \_\_\_\_\_

**4) Your preferences:**

Please list, in order of preference, the courses for which you would like to be an SA. If you don't wish to do a course, just don't list it.

The courses for Spring 2008 are **Physics 4, Physics 4L, Physics 7**

**My choices, in preferred order:** \_\_\_\_\_

**5) Obtain one reference:** Please give the "Quick and Easy reference form" to a physics or astronomy professor who knows your work, and ask them to return it to Amy Bug.

**6) Explain yourself:** Please explain in a short paragraph (on the reverse side) why you would like to be an SA. Then please return this form to Amy Bug (by college mail, or by hand to SC Rm. 117).

*Note: If you are not selected to be an SA this semester, please consider applying to be a grader for a course? We have many grading jobs! See the separate "APPLICATION TO BE A GRADER".*
