Diné College provides credit for courses. **Participants are responsible for taking care of registration and fees.** NLA staff will be available at the beginning of the workshop to answer questions about receiving credit for courses and to help with the registration paperwork.

Our courses are intensive, condensed into a three-week period. Therefore, we do not recommend that participants enroll in more than two courses each for credit.

**We recommend that participants attend the workshop for the entire three weeks.**

In addition to the regularly scheduled classes, there will be other activities from time to time (if time permits) such as guest lectures, group discussions, and field trips. Lectures and discussions will focus on topics relevant to language teaching and linguistic theory. Guest lecturer may include institute participants, researchers from the College, and others specializing in the Navajo language and/or education.
