"On behalf of Swarthmore's U-9 girls, I would like to thank you and your fabulous women's team for the clinic you hosted. It was such a generous gift to the community, and we truly appreciate it. Our girls were wildly enthusiastic about the experience, and absolutely in awe of the college players. We couldn't ask for more impressive role models for our daughters; your players were professional, enthusiastic, patient and great with kids. The clinic was beautifully organized and extremely helpful. And one more thing... my 7th grader, who attended with her team, reported that the players in the "academic station" stressed that school-work is first and foremost. This made a big impression; thank you for that!" - Liz, U-9 & U13 Parent

"Thank YOU and your team for their patience and enthusiasm. They serve as wonderful role models for our young girls." - Linda, U-12 Parent

"It was a great night for your team and a great night for my daughter's team as well. I do not know what your assistant coach told them, but the girls were focused, attentive and really into the Swarthmore team. Thank you for sharing the role models on your team with my daughter and her teammates. These young girls need to see more of it." - Sonya, U-9 Parent
