Permission and Use Agreement

I/we request permission to reproduce the item(s) listed below from Friends Historical Library (hereafter referred to as FHL) for the purpose specified in this agreement. I/we agree to abide by the following terms:

1. Credit must be given to FHL and, if known, the creator of the work.
2. The format of the credit line is "Courtesy Friends Historical Library of Swarthmore College (citation number)." Call number or identifier may be used as the citation number, but some citation information must be included. Credit lines must appear with the image or on a credit page indicating the page number and location on the page for each work. Films, videotapes and slide shows may use a credit section at the beginning or end to give credit to FHL. For web site use, credit should appear either next to or directly below the image.
3. Permission is granted for one time use. To reuse items, please request permission in writing from the Curator.
4. Reproduction fees: When a decision is made to use a specific photograph for publication, please notify the Archivist and pay the fee unless it has been waived. Permission to publish is contingent on the receipt of this form and the fee.
5. If in print, a copy of the publication containing the image(s) should be given to FHL as soon as the work has been published.
6. FHL does not claim to control the rights of reproduction for pictorial material in its collections. The publishing party assumes all responsibility for clearing reproduction rights and for any infringement of the U.S. Copyright Code.
7. Photographs may be cropped to suit design and layout, but they may not be altered or drawn upon so that they look in any way different from the way they appear in the collection.
8. FHL reserves the right to refuse permission and/or provide image reproduction services to publishers and individuals who have not complied with its policies.
9. FHL reserves the right to decline reproduction of fragile items or for inappropriate use.

Copyright ownership does not necessarily accompany physical ownership of a manuscript. An owner of the physical manuscript may assert certain proprietary rights in regard to the physical manuscript, for example permitting or denying access to the property. This assertion of ownership rights, however, is distinct and separate from any copyright consideration affecting the manuscript.
