SWARTHMORE COLLEGE – BIOCHEMIST. The Department of Chemistry and Biochemistry at Swarthmore College invites applications for a full-time two-year appointment at the level of Visiting Assistant Professor to begin in Fall 2015. The position involves participation in the biochemistry lecture and laboratory curricula as well as in general chemistry. Teaching an upper-level seminar is also anticipated and opportunities for directing undergraduate research are available. Applicants should have a PhD; teaching experience and postdoctoral research experience are preferred, as is a strong commitment to undergraduate education.

The submission of applications will occur electronically through Academic Jobs Online which can be accessed on the following site:

https://academicjobsonline.org/ajo/jobs/5307

Once on the Academic Jobs site you will be asked to submit a cover letter, CV, and scanned PDF copies of your undergraduate and graduate transcript(s). Please address qualifications for teaching biochemistry and general chemistry in your cover letter, and arrange to have 3 letters of recommendation sent to the Academic Jobs Online link above. (Recommenders are encouraged to use the on-line application website). If recommenders are unable to submit on-line, send to Prof. Robert S. Paley, Chair, Department of Chemistry & Biochemistry, Swarthmore College, 500 College Avenue, Swarthmore, PA 19081-1397. Consideration of applications will begin on February 16, 2015 and will continue until the position is filled. Additional information about Swarthmore College and the Department of Chemistry and Biochemistry can be found at http://www.swarthmore.edu.

Swarthmore College is a highly selective liberal arts college, located in the suburbs of Philadelphia, whose mission combines academic rigor with social responsibility. Swarthmore has a strong institutional commitment to inclusive excellence through diversity in its educational program and employment practices. The College actively seeks and welcomes applications from candidates with exceptional qualifications, particularly those with demonstrable commitments to a more inclusive society and world.
