Friends,

If you have a bicycle on campus, it needs to be properly stored during the summer.

Inside bike storage is available in PARRISH hall as well as in MARY LYONS bike room. If you are leaving your bike here for the summer, please **LABEL** your bike and secure it in one of those locations.

**If you have a bicycle you no longer need, the College will help facilitate donating those bikes to Trash2Treasures.**

**If you would like to donate your bicycle, please contact Hannah Armbruster (harmbru1@swarthmore.edu)**

DANA and HALLOWELL: the bike racks in between Dana and Hallowell will be removed for construction. **Any bicycles remaining on those racks after May 18th will be removed by the College and donated without additional notice to t2t.** If you have a bicycle on those racks, please move to a different location by May 18th.

Bicycles cannot be stored in dorm storage or secure storage; they must be properly stored if you will not be using them in the summer.

thank you,

Rachel
