PLEASE ANSWER THE FOLLOWING QUESTIONS:

1. What attracted you to this internship position?

2. Please give some detail about your experience as a library user; if possible, please give one positive and one negative example.

3. In your opinion, what role does the library play in Swarthmore’s campus culture?

4. If you have experience as a library employee (either in college or elsewhere), please provide information and impressions of that experience.

5. Please include one reference (with contact information), such as a professor or supervisor.
