Amasa Walker Esq

My Dear Sir:

I have engaged to go down to Maine next week to deliver an address on the 9<sup>th</sup> at Augusta; otherwise I would cheerfully accept the invitation you have conveyed to me on the part of the North Brookfield Lyceum. I shall be very happy to ride out to your pleasant village sometime during the season, and do what I can to entertain your citizens. --- Can't you send me down a short article which I may leave with my printers while I am absent next week? I should be grateful if you would.

Yours truly

Elihu Burritt
