Dear Friend Lane

It has been a long time since I have heard from you. You see by the enclosed Bond that there is to be a meeting of the League Secretaries or Delegates in London on the 13th. Now cannot you come! Do try to come; for it will be a very important meeting to the cause; some choice spirits will be present from different parts of the country whom you will like to meet. Do try to come, or to send a delegate from your branch.
