B.B. MacArthur Esq

Dear Sir

I just drop you a line to say that I will be at the lecture hall on Friday evening, 21, at 8 P.M. when I shall have the pleasure of meeting you. As Mr. Edmund Fry will not be able to preside, I hope you, as President of the Institute, may be willing to occupy the chair. I thank the committee most heartily for sending me such a large number of tickets.

Yours Truly,

Elihu Burritt
