Elihu Burritt to "Dear Mr. Mecker"

Wednesday, March 8 /76

Dear Mr. Mecker,

Will you kindly take the lead at the Elm Street Chapel next Sunday at 3 P.M. and try to call out as many possible to speak or take a personal part in the exercises? There are several young converts and others much impressed. For myself, I am quite shut up within doors and know not when I shall be able to get out again. So let me beg you not to decline but to fill the post for next Sunday.

Yours Sincerely,

Elihu Burritt
