My dear Sir:

It has just occurred to me that you might without any doubt, procure the use of the Hall of the House of Representatives from Evening to deliver your address: and it seems to me there could be no place so desirable. Mr. Amasa Walker could get it if you drop him a note or any one of the Representatives from Worcester. Col. Bulloch is speaker: Deland A. Goddard, Samuel Southwick, Joseph D. Daniels & John L. Murphy are members from Worcester.

I hope you will see this the most feasible plan for your beginning.

Yours
Elihu Parrott Esquire.
