Mr Elihu Burritt

Dear Sir,

In June last Rev. H. Clay Trumbull handed us your letter to him together with a copy of "An English Woman's Work among Workingmen:" which was duly submitted to our Committee of Publications, and after examination they approve and will accept the work. Please forward the Stereo-Plates by Express to the above address.

With the thanks of the Committee for your generous contribution to our Sunday School Literature, I am very truly yours

Alex Kirkpatrick
