

[Letter Elihu Burritt to Mr. Bartlett, February 23, 1875]

Tuesday, Feb. 23 / [18]75

Dear Mr Bartlett,

We have engaged an omnibus, on wheels, or runners, for our Farmington visitation on Thursday evening [underline in original] next. It will hold 12 or 14, so that all can go together! It will leave Humphrey [?] House at 6 [underline in original]. We hope you will be able to go, for we expect an occasion which you would greatly enjoy.

Yours Truly,

Elihu Burritt
