

[Letter, Elihu Burritt to Bennett Andrews, July 26, 18??]

New Britain July 26 [18??]

Mr. Bennett Andrews

Dr[sic] Sir

I have called at your house several times, but have not found you at home. Will you please to leave a line for me to say how much you will charge per bushel for plaster, and deliver it at Mr Stephen L Stricklands—say 10 bushels at a time. I will call in a day or two and get your terms.

Truly yours

Elihu Burritt
