Trans-Siberian Railway
from Mongolia to Moscow

Tracing the Footsteps of Genghis Khan

JULY 12-25, 2020
with optional
BEIJING PRE-TOUR &
ST. PETERSBURG POST-TOUR
Dear Swarthmoreans,

Join fellow alumni and friends for an unparalleled journey through history on the Trans-Siberian Railway—a legendary network of rails. Enjoy modern amenities, comfortable lodging, and exciting excursions as you leisurely traverse two continents by private train during this epic adventure—through the Mongolian steppes, along the remote shores of Lake Baikal, and deep into Russia.

Traveling by rail through the diverse eastern Siberian countryside is slow and rewarding, accented by a cultural cornucopia both on and off the train. With local guides at each stop, explore city highlights like the Choijin Lama Temple and Gandan Monastery, the Okhlopkov Drama Theatre and Taltsy Museum, and Russia’s crown jewels: the Kremlin plus a private opening at St. Basil’s Cathedral.

Your rail accommodations for this journey are on board the private Tsar’s Gold, likely the most comfortable way to travel on the Trans-Siberian Railway. As the outside panorama glides by, take the opportunity to interact and engage with fellow travelers to discover respective cultures, partake in various vodka tastings and traditional toasts, and perhaps learn a bit of the Russian alphabet during language presentations. During city overnights, relax in the modern comforts of 4- and 5-star properties featuring luxurious amenities, restaurants, and common areas.

Space is limited. With significant savings of more than $800 per couple, we anticipate this program will fill quickly. Book this experience today online at swarthmore.orbridge.com, by calling (866) 639-0079 or by returning the enclosed reservation form.

Sincerely,

Activity Level: Guests should be comfortable boarding and disembarking trains without assistance, walking and moving between cars while train is in motion and navigating steep, narrow stairs to the upper level of the observation car. All hallways are narrow and have handrails, but train travel can be unpredictable and some unexpected movement may occur. Outside activities are generally not very strenuous, however, we expect that guests can enjoy two hours or more of walking, are sure-footed on cobbled surfaces, and can walk up and down stairs without assistance. Due to the structure of some buildings, facilities for the disabled may be limited.
