Dear Swarthmore Alumni and Friends,

Experience the rich traditions and astonishing beauty of the British Isles and Northern France’s storied coastline during this unforgettable Celtic Lands voyage. During our specially designed itinerary, traverse the lands and seas of the ancient and influential Celts. In commemoration of the historic 75th anniversary of the D-Day Invasion, visit the solemn shores of Normandy with David Eisenhower, grandson of General and President Eisenhower.

Professor Eisenhower and Allen Packwood, an expert on the British Prime Minister Winston Churchill, will join us for a portion of the cruise and share their exclusive insights on two of the most influential figures of the 20th century. While you cruise the waters of the Irish and Celtic Seas and cross the English Channel, enjoy the luxuries of the exclusively chartered, Five-Star, small ship Le Boréal—featuring only 110 Suites and Staterooms—and explore cities, villages and islands that abound with Celtic heritage. Call at ports inaccessible to larger vessels, discover firsthand the bold influence left by the ancient Celts and visit the historic territories where their renowned culture remains.

Discover Scotland’s seldom-visited Inner Hebridean Islands and admire the austere landscapes of the United Kingdom, including the Scottish Highlands, steeped in local lore and natural splendor. In North Wales, follow in the footsteps of medieval and modern-day princes and enjoy a privately arranged musical performance by the renowned Welsh Maelgwyn Choir. Stroll the rare and exquisite Tresco Gardens in the Scilly Isles, England, and in Dublin, Ireland, view treasures of Celtic heritage and revel in the lively delights of traditional Irish song and dance.

This extraordinary visit to the pivotal D-Day beaches of Normandy—where Allied forces turned the tide of World War II—and the beautiful Celtic Lands of the British Isles is an exclusive program that will sell out quickly. Make your reservations now, as space is limited!

After lunch, visit the Church of Angoville-au-Plain, an emergency aid station during D-Day, and view its modern stained-glass rendition of the American Airborne parachute drop; here, two brave U.S. Army medics treated wounded soldiers, using pews as makeshift beds. The ancient Celts’ immeasurable contributions to Europe are rooted in a tradition of art, science and folkloric legend. This tribal civilization spanned two thousand years with a diversified domain extending from the Iberian Peninsula to the Black Sea and from the Mediterranean to the North Sea. Today, they are most associated with the cultural identity and consciousness of Ireland, although their roots run deep in England, Wales, Scotland and northern France—historic territories where traces of their influence remain and where Celtic dialects formed the original languages.
Dublin, Ireland
Monday, June 10
Built astride the River Liffey, Ireland’s historic capital has retained its rich heritage of Georgian architecture. The panoramic tour of the city highlights the landmark St. Patrick’s and Christ Church Cathedrals and grand O’Connell Street, lined with bronze and marble statues of Irish statesmen. Stroll through the stately quadrangles of Trinity College and view the incandescent illuminations of the ninth-century Book of Kells. The afternoon is at leisure to walk along colorful Grafton Street, savor a pint of Guinness in a neighborhood pub or visit the National Gallery of Ireland, one of the best repositories of Celtic treasures in the world.

On board the ship this evening, enjoy specially arranged, traditional Irish music and dance performed by a local band.

Visit beautiful Bodnant Garden, one of the finest examples of 19th-century Victorian landscape artistry. Stop in the charming seaside resort town of Llandudno for lunch, followed by a stirring private choir performance of Welsh hymns. Experience the grandeur of the UNESCO World Heritage-designated Caernarfon Castle, an impenetrable 13th-century fortress built by Edward I of England as a defense against the marauding Welsh. Following the tradition of seven centuries of monarchs, Queen Elizabeth II invested the future heir to the British throne, her son Charles, as Prince of Wales at Caernarfon in 1969.

Enjoy views of the beautiful, glacier-sculpted peaks and valleys of the Snowdonia Mountains during your return to the ship.

Isle of Iona, Scotland/Isle of Mull/Tobermory

In A.D. 563, the Irish monk Columba founded a monastery here, where scribes would spend their entire lives painstakingly copying and illuminating religious tracts and transcribing ancient Celtic sagas. Iona became the burial place of Scotland’s kings, including Duncan and Macbeth. Stroll through the serene, restored abbey and see the churchyard’s intricate Celtic crosses.

Ferry across the Sound of Iona to the neighboring Isle of Mull, where brightly painted houses are nestled between the hills and the harbor of Tobermory. Visit 13th-century Duart Castle, the ancestral home of the Clan Maclean, and enjoy lunch at the castle.

Later, join Allen Packwood on board the ship as he discusses the complexity of the D-Day operations and Sir Winston Churchill’s role in its undertaking.

Fort William/Scottish Highlands/Oban
Thursday, June 13

Stop along the Caledonian Canal at Neptune’s Staircase—the longest staircase lock in Britain.

This afternoon, enjoy a picturesque drive from Fort William to majestic Glencoe, considered Scotland’s most scenic glen, much of which is preserved by the National Trust for Scotland.
