Five-Star African River Safari
M.S. ZAMBEZI QUEEN
FIVE-STAR AFRICAN RIVER SAFARI

14 STATEROOMS

The exclusively chartered, Five-Star M.S. ZAMBEZI QUEEN is a specially designed, stylish “floating lodge” built to navigate the Chobe River and provide a world-class, unique African river safari—offering extraordinary game-viewing opportunities distinctly different from a land safari—in one of the last great untouched places on Earth.

Local guides will lead impressive game-viewing river safaris aboard small, custom-built, private excursion boats. Participants will visit a native village along the river to experience the local culture firsthand.

Each of the 14 tastefully appointed, air-conditioned, spacious Staterooms (from 215 to 300 square feet) features floor-to-ceiling windows with a sliding glass door that opens onto a private balcony, one queen bed or two twin beds and private bathroom with shower. All accommodations offer remarkable opportunities for unobstructed viewing of wildlife—including elephant, giraffe, kudu, oryx and an incredible array of bird species—and river vistas from the comfort of your bedside.

Onboard dining includes full buffet breakfast, buffet lunch, three-course dinner and complimentary wine and beer with lunch and dinner, served daily in the spacious dining room, with unobstructed views on three sides for game viewing as animals gather at the water’s edge. Regional cuisine is prepared by South African-trained culinary staff introducing local ingredients with an international flair.

Comfortable and classic contemporary public areas include a lounge, bar and open-air deck with plunge pool.

The M.S. ZAMBEZI QUEEN leaves no lasting footprint on the environment. It meets inland water safety standards and is specially designed to be environmentally sensitive with a water-jet propulsion system to prevent damage to the riverbed. It is fuel-efficient with low-emission generators; and has solar-heated hot water and an onboard water purification system. There is no doctor on board the ship.
