

Student Posters

Students are invited to submit abstracts for poster presentations that will focus on a topic related to engineering and/or engineering technology.

The physical specifications for the poster are listed below.

- Push pins and poster boards sized 36" high x 48" wide will be provided.
- All supporting display material must fit on or within an area of 48" wide x 36" deep under the poster.
- Students can demonstrate their working projects provided that their materials fit within the area specified above.
- If a student or group of students would like to display a larger project, they should contact Lynne Molter, lmolter1@swarthmore.edu, by November 1, to determine whether we can accommodate your project in the space available.
