

High School Science Teacher

SOUTHERN TEACHERS PLACEMENT AGENCY

NORFOLK, VA

*Please consider forwarding this open position to your recent grads that may still be looking for a job. This position will start in **August 2021** and is in Norfolk, Virginia.*

Job Title: High School Science Teacher

Are you:

- passionate about science?
- outgoing, with a love for working with kids?
- hoping to make a difference in others' lives?
- interested in teaching?

Southern Teachers can help! We are currently helping a private/independent school in **Norfolk, Virginia** find a Middle School Science Teacher to join their school community. The ideal candidate will also have an interest in contributing to the school community through extra-curricular activities.

Am I qualified?

- If you majored or minored in chemistry, biology, and/or physics, your skill set is in demand in schools.
- Bachelor's Degree required
- For secondary school, teaching certification is desirable but *not required*.
- You do need the ability and willingness to work with kids!

How does it work?

- [Apply](#): fill out an online application with Southern Teachers.
- Schedule: If we can help with your job search, your assigned Placement Counselor will schedule an interview to learn about your background and search requirements.
- Connect: we will identify the best job opportunities for you and start connecting you with schools.

Southern Teachers is a placement agency that helps teachers find jobs at K-12, college-preparatory, private/independent schools around the South. **Our services are free to candidates.** Learn more about our work with candidates, and the other ways we support schools, at SouthernTeachers.com.

Share your passion, and help kids grow—be a teacher! Apply today at SouthernTeachers.com

Please do not hesitate to reach out with any questions. Thank you for your time and consideration.

Best,
