

FY 2023-24 Facilities/Technology Project Request

Instructions: Departments requesting alterations to space (including furniture and finishes), additional space, or new/expanded IT systems must complete this form, including approval by the Department Head and Academic Division Chair (if applicable) and President's Staff member. Submit the completed form to Jan Semler (jsem1) for Facilities requests and Jason Parkhill (jparkhill1) for Technology requests. Send a copy of your request to Ernie Wright (ewright3) in the Budget Office. Facilities/ITS will develop the project budget and work with the Budget Office on the routing of the request. Projects which meet the College's definition of a capital project will be considered in the development of the FY 2024-25 Capital Plan. Non-capital projects will either be a) considered as part of the Facilities or ITS annual operating budgets; or b) incorporated into the requesting department's operating budget for FY 2024-25. **Please note that requests for capital projects (\$75,000+) must be submitted by 12/8/2023 for consideration in FY 2024-25.** If you are unsure whether your request meets the definition of a capital project, please contact either Jan Semler (x8660) or Jason Parkhill (x7679).
