As you are aware, the current fiscal year ended on June 30, 2017; however, there may be outstanding items (relating to the 2016-17 fiscal year) that still need to be resolved. In order for our accounting records to be complete and accurate, the assistance and coordinated effort of all those responsible for College financial transactions is requested.

Adherence to the following Business Office cut-off schedule is important for the College to have timely and accurate books, clean audits and properly reflected budget results. Thank you for your cooperation and assistance.

**FINAL ADJUSTMENT DEADLINES (other than salaries)**
Operating Budget (FUNDS 11000 & 12000) no later than July 19th
Non-Operating Budget (all other FUNDS) no later than July 21st

**CASH RECEIPTS:**
Cash and checks received by the Business Office through June 30, 2017 were credited to fiscal year 2016-17.

Deposit items received after June 30th will be credited to fiscal year 2017-18. If there is a reason funds received in July belong in fiscal year 2016-17, please notify Beth Baksi immediately in order to get them properly recorded to fiscal year 2016-17.

**INVOICES/CHECK REQUESTS:**
The previously stated deadline for submitting check requests and invoices for the 2016-17 fiscal year was July 7th; however, we are still seeing a number of items being submitted for payment relating to the 2016-17 fiscal year. For an invoice/check request to be chargeable to the 2016-17 fiscal year, the item/service must have been received/provided on or before June 30, 2017. If you still have any expense items relating to the 2016-17 fiscal year, you must submit them for payment immediately.

Please note that this accounting policy is in place regardless of the Fund/Org you plan to charge an expense. In the past, there has been some confusion with respect to certain Banner FUNDS (i.e. Grants, Capital Projects, etc...) that roll forward into the next fiscal year; however, accounting policy dictates that June expenses must be charged back to June regardless of FUND/ORG & regardless of when we receive an invoice. As a result, please hurry to submit any remaining June expense items.

For the remainder of July, when coding invoices for payment, note directly on the invoice itself which fiscal year the goods were received or services performed (if it is not already clearly noted). Please review any outstanding June expense items you may have and immediately submit them for payment.

Also, please feel free to check your account, via Web Finance, for any activity posted to both June & July to ensure that all expenses, that have already been posted, were in fact charged to the proper fiscal year (i.e. using the accounting policy/guidelines above to determine the proper fiscal year).

Please note, if you know of a 2016-17 fiscal year expense; but do not have the actual invoice in-hand (and will not receive it by the deadline) please notify Beth Baksi at ext. 2042 so we may properly record an "entry" to charge the expense to the 2016-17 fiscal year.
