

## THE LUCAS GROUP

The Lucas Group is a boutique corporate strategy consulting firm dedicated to helping our clients achieve extraordinary results - as measured by significant improvements in profits, accelerated revenue growth, cost savings, cash flow, efficiencies, and ultimately, enterprise value.

### **Company Profile:**

Offices: Boston, MA

Practice Areas: Private Equity Services, Corporate Strategy Consulting

### **Recruiting/Interviewing Timeline:**

- \*\*On Campus Info Sessions—  
October (if applicable)
- \*\*On Campus Interviews—  
October (if applicable)
- \*\*Rounds of Interviews: 2

### **Typical Positions for Graduates:**

*Associate Consultant*

\*\*As an Associate Consultant at TLG, you will work alongside seasoned Consultants and senior management by participating in every aspect of client results delivery.

\*\*Associate Consultants are assigned a broad range of responsibilities that include analysis, data collection, market research, business processes, financial modeling, preparing presentations, and managing client relationships.

Application Deadline: Early October  
Location: Boston, MA

### **Alumni Testimonial:**

*I have been extremely happy in my role as both an Associate Consultant and a Senior Associate Consultant.*

*As TLG is relatively small and intimate, we offer our associates incredible opportunities to work directly with a multitude of clients and their senior teams – opportunities not likely in a larger firm. Additionally, the regular, close contact with our firm's senior Partner group provides excellent professional development opportunities.*

*I believe that The Lucas Group has much to offer Swarthmore graduates. The firm's size and culture and the opportunities it will provide you are just a few of the reasons I feel a Swarthmore grad would be a great fit for The Lucas Group team, and I strongly encourage you to consider joining us.*

*--Darren Johnson '08*

### **What They're Looking for:**

\*\*Strong team work skills, leadership skills, analytical skills, problem solving skills, written communication skills

\*\*Previous internship experience, research experience
