---
1. Aggregate deductible: For family coverage, the entire family deductible must be met before copayments or coinsurance are applied for an individual member.
2. Embedded out-of-pocket maximum: Each covered family member only needs to satisfy his or her individual out-of-pocket maximum, not the entire family out-of-pocket maximum.
3. Telemedicine is provided by a designated telemedicine provider, please visit [www.ibx.com/findcarenow](http://www.ibx.com/findcarenow).
The Personal Choice® Preferred Provider Organization (PPO) gives you freedom of choice by allowing you to select your own doctors and hospitals. You maximize your coverage by accessing care through Personal Choice’s network of hospitals, doctors, and specialists, or by accessing care through preferred providers who participate in the BlueCard® PPO program. If you access care from a provider who does not participate in our network, you will have higher out-of-pocket costs and may have to submit your claim for reimbursement.

This summary represents only a partial listing of benefits and exclusions of the Medical Program described in this summary. If your employer purchases another program, the benefits and exclusions may differ. Also, benefits and exclusions may be further defined by medical policy. As a result, this managed care plan may not cover all of your health care expenses. Read your contract/member benefit booklet carefully for a complete listing of terms, limitations, and exclusions of the program. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.ibx.com/LGBooklet or call 1-800-ASK-BLUE (TTY: 711).

Benefits may be changed by Independence Blue Cross to comply with applicable federal/state laws and regulations.

Certain services require preapproval/precertification by the health plan prior to being performed. To obtain a list of services that require authorization, please log on to http://www.ibx.com/preapproval or call the phone number that is listed on the back of your identification card.

Benefits underwritten or administered by QCC Insurance Company, a subsidiary of Independence Blue Cross - Independent licensees of the Blue Cross and Blue Shield Association. www.ibx.com

1. 90 day supply for maintenance drugs available at retail.

2. Certain designated preventative medications will not be subject to any cost-sharing or deductibles, but will be subject to the terms and conditions of your benefits contract. Refer to your summary of benefits, member handbook, and/or benefit booklet to determine if your plan includes 100 percent coverage for in-network preventive services.

This summary represents only a partial listing of benefits and exclusions of the Prescription Drug Program described in this summary. If your employer purchases another program, the benefits and exclusions may differ. Also, benefits and exclusions may be further defined by pharmacy policy. As a result, this program may not cover all of your health care expenses. Read your contract/member benefit booklet carefully for a complete listing of terms, limitations, and exclusions of the program. For more information about your coverage, or to get a copy of the complete terms of coverage, visit [www.ibx.com/LGBooklet](http://www.ibx.com/LGBooklet) or call 1-800-ASK-BLUE (TTY: 711).

Your program includes the HDHP Preventive Enhancement benefit for a defined list of drugs. For the drugs on the preventive drug list, the deductible does not apply and you are only responsible for paying the copayment or coinsurance.

Any prescription refilled in excess of the number of refills specified by the physician, or any refill dispensed after one year from the physician's original order are not covered. Devices or supplies except those specifically listed under covered drugs are not covered.

All covered self-administered specialty medications will be provided through the convenient Specialty Pharmacy Program for the appropriate cost sharing indicated above. Benefits are available for up to a thirty (30) days supply.

The pharmacy network includes more than 65,000 retail pharmacies. You can locate a participating pharmacy near you on [www.ibx.com](http://www.ibx.com) by selecting the Find a Participating Pharmacy feature.
