NOTES:
-In 2010, the federal government mandated new collection and reporting methods for race and ethnicity. All enrollments are presented using the newer coding. In this newer coding, any student who identifies as Hispanic is considered to be Hispanic (even if other races are also selected). Those who select two or more races (and who do not select Hispanic) are considered to be "Two or more races" students. Non-resident aliens are reported in a separate category, regardless of race or ethnicity.

-Counts include students studying abroad. (See table "Fall Enrollment by Student Category: On Campus and Study Abroad")
