

## Sophomore Planning Worksheet for Psychology Course Minor

*This worksheet is for your benefit and should be shared with your advisor for feedback. You do not need to upload the worksheets to the portal. Instead you should follow the instructions on your major/minor portal to manually input the classes you plan to take. Additional instructions can be found [here](#). You are not locked into the plan you propose here and online.*

**Name:** \_\_\_\_\_ **Class year:** \_\_\_\_\_

### Acceptance Criteria.

- ☐ Completed at least 1 credit in Psychology
- ☐ Be in good standing at the College
- ☐ AP/IB placement can count as 1 course. Note that AP/IB does not receive Swarthmore course credit

*If you don't meet the criteria yet, you still need to submit a sophomore plan. Your plan for a psychology program may be deferred but we will re-review your application and approve it once the acceptance criteria are met. Please note that acceptance into your desired program is entirely dependent upon the submission of a completed and departmentally compliant sophomore plan.*

### Minor Requirements.

*Please check our tentative course offerings at <http://www.swarthmore.edu/psychology/courses> to make sure which semester the courses you need are offered. For more details about Psychology Course Major/Minor program, please visit: <http://swarthmore.edu/psychology/majors-minors>*

- ☐ PSYC 001. Introduction to Psychology (or equivalent: AP 5 in Psychology, IB 6 or 7 in Psychology)
- ☐ At least 2 Core Courses (those with numbers in the 30s)
- ☐ At least 5 total credits in Psychology (not including AP/IB or STAT 011); all must be taken at Swarthmore
