

Sophomore Planning Supplement Worksheet for Psychology Honors Minor

This worksheet is for your benefit and should be shared with your advisor for feedback. You do not need to upload the worksheets to the portal. Instead you should follow the instructions on your major/minor portal to manually input the classes you plan to take. Additional instructions can be found [here](#). You are not locked into the plan you propose here and online.

Name: _____ **Class year:** _____

Acceptance Criteria.

- ☐ Completed at least 2 credits in Psychology
- ☐ Be in good standing at the College
- ☐ Have a B+ or higher average in Psychology
- ☐ AP/IB placement can count as 1 course. Note that AP/IB does not receive Swarthmore course credit

If you don't meet the criteria yet, you still need to submit a sophomore plan. Your plan for the psychology program may be deferred but we will re-review your application and approve it once the acceptance criteria are met. Please note that acceptance into your desired program is entirely dependent upon the submission of a completed and departmentally compliant sophomore plan.

Minor Requirements.

Please check our tentative course offerings at <http://www.swarthmore.edu/psychology/courses> to make sure which semester the courses you need are offered. For more details about Psychology Course Major program, please visit: <https://www.swarthmore.edu/psychology/honors-program-psychology>
