

Sophomore Planning Worksheet for Special Course Major in Psychology and Educational Studies

This worksheet is for your benefit and should be shared with your advisor for feedback. You do not need to upload the worksheets to the portal. Instead you should follow the instructions on your major/minor portal to manually input the classes you plan to take. Additional instructions can be found [here](#). You are not locked into the plan you propose here and online.

Name: _____ **Class year:** _____

Acceptance Criteria.

- ☐ Complete **ANY** 2 courses in Psychology
- ☐ EDUC 014: Introduction to Education
- ☐ 1 additional course in Educational Studies
- ☐ Good standing at the College
- ☐ AP/IB placement can count as 1 course. Note that AP/IB does not receive Swarthmore course credit

If you don't meet the criteria yet, you still need to submit a sophomore plan. Your plan for a psychology program may be deferred but we will re-review your application and approve it once the acceptance criteria are met.

Please note that acceptance into your desired program is entirely dependent upon the submission of a completed and departmentally compliant sophomore plan.

Major Requirements.

Please check our tentative course offerings at <http://www.swarthmore.edu/psychology/courses> and <http://www.swarthmore.edu/educational-studies/courses> to make sure which semester the courses you need are offered. For more details about Course Major in Psychology and Educational Studies, please visit: <http://swarthmore.edu/psychology/special-majors>

Psychology Requirements

- ☐ PSYC 001. Introduction to Psychology (or equivalent: AP 5 in Psychology, IB 6 or 7 in Psychology)
- ☐ PSYC 025 Research Design and Analysis
- ☐ STAT 011 Statistical Methods (or equivalent, e.g., ECON 031) taken before or concurrently with PSYC 025
- ☐ At least 3 Core Psychology Courses (those with numbers in the 30s)
- ☐ At least 5 total Credits in Psychology

Education requirements

- ☐ EDUC 014. Introduction to Education
- ☐ EDUC 021/PSYC 021. Educational Psychology
