

Sophomore Planning Worksheet for Honors Major in Psychology and Educational Studies

This worksheet is for your benefit and should be shared with your advisor for feedback. You do not need to upload the worksheets to the portal. Instead you should follow the instructions on your major/minor portal to manually input the classes you plan to take. Additional instructions can be found [here](#). You are not locked into the plan you propose here and online

Name: _____ **Class year:** _____

Acceptance Criteria.

- ☐ Complete **ANY** 2 courses in Psychology
- ☐ Complete EDUC 014: Introduction to Education
- ☐ Complete 1 additional course in Educational Studies
- ☐ Have a B+ or higher average in Psychology
- ☐ Have a B+ or higher average in Educational Studies
- ☐ Have a B+ or higher overall average
- ☐ Good standing at the College
- ☐ AP/IB placement can count as 1 course. Note that AP/IB does not receive Swarthmore course credit

If you don't meet the criteria yet, you still need to submit a sophomore plan. Your plan for a Psychology and Educational Studies Special Major may be deferred but we will re-review your application and approve it once the acceptance criteria are met. Please note that acceptance into your desired program is entirely dependent upon the submission of a completed and departmentally compliant sophomore plan.

Major Requirements.

Please check our tentative course offerings at <http://www.swarthmore.edu/psychology/courses> and <http://www.swarthmore.edu/educational-studies/courses> to make sure which semester the courses and seminars you want to take are offered. For more details about Psychology Course Major program, please visit: <https://www.swarthmore.edu/psychology/academic-program>

Required coursework in Psychology

- ☐ PSYC 001. Introduction to Psychology (or equivalent: AP 5 in Psychology, IB 6 or 7 in Psychology)
- ☐ PSYC 025 Research Design and Analysis
- ☐ STAT 011 Statistical Methods (or equivalent, e.g., ECON 031) taken before or concurrently with PSYC 025 At least 3 Core Psychology Courses (those with numbers in the 30s) that normally follows a core course

Required coursework in Education

- ☐ EDUC 014. Introduction to Education
- ☐ PSYC 021/EDUC 021. Educational Psychology
