Banner 9 Student Registration

Registration Notice: Directed Reading, Independent Study, Research, Thesis, Special Projects, etc. and all ECON seminar are not available for web-registration - see Dept Administrative Asst/Coordinator to register

Log into Student Registration via mySwarthore, Registration, Register for Classes or by clicking the link: Studentregistration.swarthmore.edu

***To register for courses, skip to Page 4***

PREPARE FOR REGISTRATION (available anytime)

1. Select the Registration Term
2. View your Student Status Information, Holds, and Registration Times
   a. If you have holds for any reason, contact the person/office listed under Hold Type for information on how to have the Hold removed from your account, which will make you eligible to register.
3. You may also view your degree information
1. Use the Plan Ahead feature to create registration plans for the semester
2. You may create up to 10 plans
3. Search for a course using the Subject, Course Number, or a Keyword
4. View Sections to view ALL of the sections of the course offered.
5. Add the course to your plan. You may add several courses to your plan, however you may only pre-register for up to 4.5 credits during pre-registration
6. Added courses will appear on your plan schedule as pending until you register
7. Be sure to Save Plan
1. Use Browse Classes to browse through the course schedule to determine the section meeting days and times, instructor information, degree attributes and other information relevant to courses.
