NOMINATION FOR MEMBERSHIP

Type of Membership

Membership in Sigma Xi is by nomination and is conferred in one of two ways. While paraphrased here, the complete text of Article II, Section 3 of the Sigma Xi Constitution appears on the Sigma Xi Web site, www.sigmaxi.org. Please indicate at the top of the form for which type of membership this nominee should be considered.

Full Membership is conferred upon any individual who has shown noteworthy achievement as an original investigator in a field of pure or applied science or engineering. The Committee on Qualifications and Membership generally requires at least two first-authored, refereed papers, or patents, one of which can be a Ph.D. thesis. Life experience is also considered in some instances. Please note that some chapters have additional requirements for full membership. **For nomination to Full Membership, either attach a CV or resume OR provide a separate attachment with the following information:**

- Education: Institutions, dates, degree(s)
- Professional Positions: Institutions, dates, position titles
- Publications: titles, authors, date, source (journal name, thesis, etc.)

Associate Membership is available to any individual who has, through initial research achievement in a field of pure or applied science, shown an aptitude for research, as evidenced by independent investigation ordinarily resulting in a written report. Associate membership is offered to encourage young investigators with promise to continue careers in research. **For nomination to Associate Membership, attach a brief statement regarding the nominee's potential research aptitude.**

Promotion to Full Membership is conferred upon any individual who, previously elected as an Associate Member, now meets the requirements for Full Membership as stated above. **For promotion to Full Membership, either attach a CV or resume OR provide a separate attachment with the information listed under Full Member above.**

Nominators

Each nominator must be an active (dues paid) Full Member of Sigma Xi. This form may be submitted with only one nominator, as the chapter officer or a member of the Committee on Qualifications and Membership may act as a second nominator. Individuals who are not familiar with a Full Member to act as nominator may do one of the following:

1. Contact the administrative office to request the name of a nearby chapter officer or member who would be willing to review your application, **OR**
2. To be considered for Full Membership only, check the box in section 2 requesting that the Committee on Qualifications and Membership review the nomination form and act as nominator and second nominator, and attach a CV or resume including the name(s) of a professional colleague who has knowledge of the nominee's research activity.

Submitting the Form

Individuals may be elected to membership through a Sigma Xi chapter or through the Sigma Xi Committee on Qualifications and Membership. Please check the appropriate box under 'Second Nominator' on the form.

Nominations through a Chapter should be presented to any officer of the selected chapter, and that officer may act as the second nominator. Chapter officers will notify the nominee if additional materials are required. To locate a chapter officer, consult the chapter listing on the Sigma Xi Web site at <http://sigmaxi.org/chapters/lists/index.shtml> or call the membership office at 800-243-6534.

Nominations through the Committee on Qualifications and Membership should be delivered to the Administrative Offices at the address listed on the front of this form. If a single nominator is included on the reverse, a member of the Committee on Qualifications and Membership may act as second nominator. The nominee will be contacted if additional information is required.

Questions? Contact the Administrative Office: membership@sigmaxi.org or 800-243-6534, ext. 217.
