SOAN 035. Environmental Justice: Theory and Action

ECON 075. Health Economics

ENGL 002M. Medical Writing and Rhetoric

ENVS 035. Environmental Justice: Theory and Action

HIST 066. The Social Construction of Diseases in the Modern World

<u>HIST 067T</u>. The Pandemic of Cigarette Smoking: Habit, Addiction and Public Health in the Big Tobacco

Archives

HIST 080. History of the Body

POLS 048. The Politics of Population

POLS 068. Politics of Public Health

PSYC 038. Clinical Psychology

RELG 031. Healing Praxis and Social Justice

Explore course offerings in the Tri-co *Health Studies Program* and at the *Health & Societies* program at UPENN. Studying abroad could also be a valuable opportunity for the study of medical anthropology. Please consult with your advisor for guidance on course selection beyond Swarthmore.

In putting together the special major, it is advisable that the student only designate ten courses as part of the major. That way there will be no problems with the 20-course rule.
