

Important Annual Health Insurance Requirement

May 2026

Dear Students:

All students are enrolled in the Student Health Insurance Plan (SHIP) for 2026-2027. Before June 15th, you may waive the plan if you meet the requirements below and provide proof of insurance.

Annually, all incoming and returning students are required to provide Swarthmore College with proof of health insurance coverage through the online waiver site. **This applies even if your health insurance remains the same from last year.** It is your responsibility to contact your health insurance provider to find out how your insurance coverage works while you are attending school. Please be certain that your private or state sponsored health insurance plan will cover you while you are away from home. Services away from home — such as blood tests, MRI's, x-rays, behavioral health, and care from a specialist — are often not covered under a private or state sponsored insurance plan. If you choose to waive the student health insurance plan, please look carefully at in-network vs. out-of-network costs and check to see if your health insurance plan covers southeast Pennsylvania.

REQUIREMENTS: All enrolled students must be insured. If your private or state sponsored insurance plan meets the following requirements, you may waive the student health insurance plan through the online waiver site.

- Effective through the academic year (notify Student Health immediately if you should have a change or loss of coverage)
- Provides for emergency and urgent care locally
- Covers local hospital admissions, diagnostic testing, prescription drugs, mental health visits, physician office visits, labwork through LabCorp

ONLINE WAIVER PROCESS: To waive the 2026-2027 Student Health Insurance Plan (SHIP):

- 1) Log into mySwarthmore < Select Worth Health Center < Select Health Insurance Waiver
- 2) Complete the Health Insurance Waiver Form (enter your current health insurance policy information)
- 3) Select Submit and you will receive an email with a confirmation number if your waiver is approved, or notification from Gallagher if your waiver is not approved.
