Dear students,

Spring semester and the start of our COVID-19 Testing Program is upon us.

This message will describe some more of the details regarding your arrival testing.

By now, each of you should have secured a move-in date and time organized by OSE. Your arrival testing schedule is based on those appointment times. Your move-in date will correspond to an assigned group for the duration of the arrival testing phase only. See below:

<table>
<thead>
<tr>
<th>Move In Date</th>
<th>Group Assignment</th>
</tr>

<tbody>
<tr>
<td>February 4, 2021</td>
<td>A</td>
</tr>
<tr>
<td>February 6, 2021</td>
<td>B</td>

<tr>
<td>February 7, 2021</td>
<td>C</td>
</tr>
<tr>
<td>February 8, 2021</td>
<td>D</td>

Your first COVID-19 test will be conducted on the day you arrive at your assigned time. You must complete a COVID-19 test prior to picking up your keys. Both the testing site and the OSE check-in desk will be located at Tarble Pavillion. OSE will be providing instructions regarding your arrival including directions and instructions for parking.

Only students will be allowed to come into Tarble Pavillion during move-in. All family and guests must remain in their vehicle.

Please enter Tarble pavilion at your scheduled arrival time where you will be directed to the testing area to complete your required COVID-19 screening. Students with negative test results will be directed to the OSE table for keys and move-in instructions.

Students with positive test results will be brought to a private area to be assessed by one of our clinical staff. A plan of care will be developed beginning with time in isolation housing. The College does not offer COVID-19 testing to family or friends who transported you here to campus. Local resources and written advice will be offered by the Student & Wellness staff.
Below is a link to an instructional testing video. I encourage you to watch module 3 and the first minute of module 4 to understand the portion of the test that you will be completing under the supervision of our staff. Test result interpretation will be done by our clinical staff.

All testing will be conducted at Tarble Pavilion unless otherwise notified. The arrival testing program includes a second COVID-19 test, about one week after your move-in date. The schedule for your second screening test is as follows:

<table>
<thead>
<tr>
<th>Test Date &amp; Time</th>
<th>Group to Test</th>

<td>E</td>
</tr>
</tbody>
</table>

*This testing schedule is subject to change. Please continue to read all communications about testing details for the most up to date information. You will receive more details regarding your third COVID-19 test of the arrival testing program in subsequent messages.

As a reminder:
- Participation in the scheduled testing program is a requirement to remain on campus. Missed tests will be reported to the Office of Student Conduct.
- You must complete the FERPA/privacy form by the end of today in order to participate in student testing.
- You must complete the Symptoms Tracker everyday. This is a requirement to remain on campus throughout the spring semester. Non-compliance will be reported to the Office of Student Conduct.
- After your arrival, leaving campus is not permitted unless you have completed the travel request form (see Garnet pledge) and received formal approval via that process.
- Please continue to wear a mask, physically distance and wash your hands frequently to help prevent infections.

Stay safe,

Worth Student Health and Wellness staff
