Dear Students,

Cases of Hand, Foot and Mouth Disease were identified on campus. Hand, Foot and Mouth disease is a common though not serious viral illness that usually affects children and can also occur in adults. Information, including steps to take for prevention and self-care, can be found on the CDC website at https://www.cdc.gov/hand-foot-mouth/

Students who experience any of the symptoms or have concerns should contact the Health and Wellness Center at 610-328-8058 during regular business hours or the after-hours on-call nurse at 610-328-8548. Members of the faculty and staff with symptoms or concerns should contact their healthcare providers.

We are communicating this information to raise awareness and help people to understand how the virus is spread and steps to take for prevention and self-care.

Sincerely,
Alice
