

AMY CHENG VOLLMER

1100 Lovering Ave #408
Wilmington, DE 19806

avollme1@swarthmore.edu
302-373-0439

Education and Training

1983-1985 Post-doctoral fellow in Immunology, Stanford University School of Medicine,
Division of Immunology, Stanford, CA
1983 Ph.D. in Biochemistry, University of Illinois, Urbana – Champaign
1977 B.A. in Biochemistry, Rice University, *cum laude*

Current Positions

2024 - Executive Director, Experimental Science Now
2022 - Isaac H. Clothier, Jr. Professor *Emerita* of Biology, Swarthmore College

Positions Held and Teaching Experience

2017 - 2021 Director, Swarthmore Summer Scholars Program, Swarthmore College
2016 - 2022 Isaac H. Clothier, Jr. Professor of Biology, Swarthmore College
2015 - 2016 Founding co-instructor, Swarthmore Summer Scholars Program, Swarthmore College
2013 - 2016 Chair of Biology, Swarthmore College
2004 - 2016 Professor of Biology, Swarthmore College
2009 - 2010 Visiting Professor (part time), Rice University, Institute for Bioscience and Bioengineering;
Department of Biochemistry and Cell Biology
2005 - 2006 Visiting Scientist, University of Pennsylvania (sabbatical in Mark Goulian's lab)
2003 - 2005 Chair of Biology, Swarthmore College
1997 - 1998 Visiting Scientist, E. I. du Pont Company, Wilmington DE (sabbatical in Bob LaRossa's lab)
1996 - 2004 Associate Professor of Biology, Swarthmore College
1993 - 1994 Visiting Scientist, E. I. du Pont Company, Wilmington DE (sabbatical in Bob LaRossa's lab)
1992 - 1996 Assistant Professor of Biology, Swarthmore College
1989 - 1992 Visiting Assistant Professor of Biology, Swarthmore College
1985 - 1989 Assistant Professor of Biology, Mills College
1988 Visiting Lecturer, University of California, Berkeley, Psychobiology Program
1980 - 1983 Graduate Research Assistant, University of Illinois, School of Chemical Sciences (biochemistry)
1977 - 1980 Graduate Teaching Assistant, University of Illinois, School of Chemical Sciences (biochemistry)
1976 - 1977 Undergraduate Teaching Assistant, Rice University, Chemistry Department

Courses Taught at Swarthmore College (tenure track)

Undergraduate courses: *Cellular and Molecular Biology**, *Microbiology**, *Microbial Pathogenesis & the Immune Response**, *Bioethics & Biotechnology*; *Microbial Processes & Biotechnology**; *Bioethics and Biotechnology in Agriculture*; *Industrial Microbiology*; *Astrobiology* (*with weekly lab sections)
Life Long Studies courses: *Microbiology: Why we get sick...or don't*; *The Gut-Brain Axis: Do you have that gut feeling?*

Courses Taught at Swarthmore College (visiting assistant professor)

*Cellular and Molecular Biology**, *Microbiology*, *Developmental Biology*; *Microbial Adaptation & Development**; *Cellular Basis for Transformation** (*with weekly lab sections)

Courses Taught at Mills College

*Immunology**, *Developmental Biology**, *Cell Biology**, *Neurobiology*, and *General Biology**
(*with weekly lab sections)

Research Experience

At Swarthmore

- 2018 - 2022 Influence of microgravity culture conditions on *Pseudomonas aeruginosa* ability to form biofilms and to make secondary metabolites
- 2014 – 2016 Co-investigator (with Alison Holliday, Department of Chemistry at Swarthmore and now at Moravian College): *Isolation and characterization of fungicide degrading bacteria: the case for chiral degradation*
- 2007 - 2021 Co-investigator (with Sara Hiebert Burch Department of Biology) *Correlating dietary fat intake, migration and other metabolic factors of rodents and hummingbirds with intestinal microbiota profiles*
- 2006 – 2009 Co-investigator (with Stephen Miller, Department of Chemistry and Biochemistry) *Investigation of the structure/function of universal stress protein family members*
- 2004 - 2017 Co-investigator (with Jose-Luis Machado, Department of Biology, Swarthmore): *Identification of soil mycorrhizae in the Crum Woods*
- 2003 - 2009 Co-investigator (with Julie Hagelin, formerly of the Department of Biology): *Identification of bacterial associated with bird feathers and scent*
- 2002 - 2003 Co-investigator (with Andrea Stout, formerly of the Department of Physics and Astronomy): *Measuring the amount of stress experience by bacteria when captured with laser tweezers.*
- 1994 – 2009 Co-investigator (with E. C. Everbach, Department of Engineering, Swarthmore): *Investigation of the physical, chemical and biological effects of ultrasound on bio-engineered luminescent bacteria*
- 1993 HHMI Collaborator (with J. Voet, Department of Chemistry, Swarthmore): *Screening an Arabidopsis cDNA library for clones bearing membrane transport proteins*
- 1989 - 2022 Principal Investigator, Swarthmore College, Department of Biology: *Bacterial responses to stress and environmental challenge in the enteric bacterium, Escherichia coli*

Research Experience

Elsewhere

- 2005 – 2006 Sabbatical Leave Research: Visiting Scientist, University of Pennsylvania: Department of Physics and Astronomy (Laboratory of Mark Goulian) *Investigations of microbial stress response using single-cell fluorescent imaging.*
- 2003 – 2005 Consultant, Ashland Specialty Chemical, Drew Industrial (Dr. Winston Goh): *Ultrasound and bacterial survival*
- 1997 – 1998 Consultant, Southeastern Company, Madison, AL (Richard Gregg II, president): *Ultrasound and bacterial survival*
- 1997 – 1998 Sabbatical Leave Research: Visiting Scientist, E.I. DuPont de Nemours & Co.: Central Research and Development, Biochemical Sciences and Engineering (Laboratory of R.A. LaRossa). *The application of microbial genetics to the development of high through-put screens for agrichemicals*
- 1993 – 1994 Sabbatical Leave Research: Visiting Scientist, E.I. DuPont de Nemours & Co: Central Research and Development, Environmental Microbiology (Laboratory of R.A. LaRossa). *The application of microbial genetics to environmental microbiology, particularly exploiting the stress regulons of Escherichia coli*
- 1986 – 1987 Visiting Summer Postdoctoral Research Scientist, Stanford University: Department of Biochemistry (Laboratory of D. Kaiser). *Physiological and genetic studies in Myxococcus xanthus*
- 1985 – 1989 Principal Investigator, Mills College, Department of Biology: *Physiology and gene*

1983 – 1985	expression in the developmental life cycle of the soil bacterium, <u>Myxococcus xanthus</u> Postdoctoral Fellow, Stanford University, Department of Medicine: Division of Immunology (Laboratory of J.R. Parnes). <i>Molecular cloning and characterization of T cell specific differentiation antigens in mouse and human immune systems</i>
1977 – 1983	NIH Predoctoral Fellow in Cell Biology/Graduate Research Assistant: University of Illinois, Urbana - Champaign, Department of Biochemistry (Laboratory of R. L. Switzer). <i>Genetic organization and regulation of the pyrimidine gene cluster in the sporulating bacterium, <u>Bacillus subtilis</u></i>
1976 – 1977	Undergraduate Research Assistant, Rice University: Department of Biochemistry (Laboratory of the late F. B. Rudolph). <i>Synthesis and characterization of possible metabolic inhibitors of the adenylosuccinate synthetases from rat liver and <u>Escherichia coli</u></i>
1975 - 1977	Summer Research Intern, Midwest Research Institute: Analytical Chemistry Division (Laboratory of W. Hagerty). <i>Quantitative analysis of the metabolic fate of experimental pharmaceuticals from the National Cancer Institute</i>
1974	Summer Research Intern, University of Missouri at Kansas City: Department of Chemistry (Laboratory of K. L. Cheng, no relation). <i>Optimization of conditions for ion exchange separation of intermediates in organic synthetic reactions</i>

Grants, Fellowships, Awards, Recognition and Leadership

Research grants and fellowships

2016 - 2017	Faculty sabbatical support, Swarthmore College	
2014 - 2016	Research Corporation Multi-Investigator Cottrell College Science Award Co-PI with Alison Holliday, Department of Chem/Biochem	\$100K
2009 – 2010	Merck AAAS Collaborative Research Grant, Biology and Chemistry Co-PI with Sara Hiebert Burch, Kathleen Howard and Stephen Miller	\$60K
2006 – 2007; 2009 – 2010	Mellon Foundation	\$3K
2005 – 2006	Swarthmore Lang Faculty Fellowship, sabbatical support	
2005 – 2006	Pennsylvania Department of Health	\$8K
2012, 2009, 2008, 2007, 2005 (2), 2004, 2002, 2001 (2), 2000 (2), 1997 (2), 1996, 1995	Undergraduate Research Fellow Mentor, American Society for Microbiology	\$56K
2004 - 2013	Organizer, Regional (Delaware and Lehigh Valleys) Microbiology Educators' Network (Funded by ASM and HHMI)	\$6K
1999	Mentor, Undergraduate Research Fellow, Merck-AAAS	\$4K
1998 – 2000	DuPont Company Aid to Education Research Grant:	\$10K
1996 – 1998	National Science Foundation Grant, bioengineering:	\$25K
1995 – 1997	Integrated Math and Science Teaching Faculty Support, Pennsylvania Commonwealth Partnership	\$15K
1994 - 2016	Co-program director for continuous support to Swarthmore College from HHMI for undergraduate research and outreach (rather than submitting an individual faculty research proposal, substantially contributed to writing and administering 6 awards to the College)	\$6.5M
1993 – 1994	Swarthmore Lang Faculty Fellowship, sabbatical support	
1992	Howard Hughes Medical Institute Faculty Research Funds:	\$5K
1992 – 2016	Part of a faculty team at Swarthmore that were awarded grants from HHMI continuously	\$7.58M
1989 -	Swarthmore College Faculty Research Grant:	\$50K
1989 – 1992	Research Corporation Cottrell Science Grant:	\$50K

1989 – 1990	Monsanto Corporation Research Grant:	\$10K
1987 – 1989	National Science Foundation Research Grant:	\$10K
1985 - 1989	Mills College Faculty Development Awards:	\$5K
1985	Mills College, Heller Foundation Grant:	\$50K
1984 – 1985	Stanford Medical School Cancer Biology Postdoctoral Fellowship	
1983 – 1984	Stanford Medical School Dean's Postdoctoral Fellowship	
1979 – 1983	National Institutes of Health Predoctoral Fellowship	

Awards, honors, recognition, leadership

2024	Invited speaker, Carnegie Science's Memorial Symposium for Maxine Singer	
2024 -	Executive Director, Experimental Science Now	
2022	Swarthmore College, Singer Hall, Biology Porch named for Amy Cheng Vollmer	
2022	Swarthmore Sigma Xi Chapter, Strawberry Festival speaker	
2021-2023	Phi Beta Kappa Science Book Award Selection Panel	
2021	Normal Willett Memorial Lecturer in Microbiology Education, Eastern PA Branch, American Society for Microbiology	
2020	AP Visiting Fellowship in Assessment (College Board)	
2019	Senior class' selection as faculty speaker at the Last Collection https://www.swarthmore.edu/commencement-2019/amy-vollmer-last-collection Naming of the Biology Department's 'front porch' in Singer Hall in my honor https://www.swarthmore.edu/bulletin/archive/summer-2019-issue-iv-volume-cxvi/maxine-frank-singer-%E2%80%99952-hall.html	
2018 -	Fellow, American Academy of Microbiology	
2017 – 2020	American Society for Microbiology, inaugural Board of Directors, elected by Council on Microbial Science members	
2017 – 2019	American Society for Microbiology, Council on Microbial Sciences, Councilor-at-large, elected nationally	
2017 – 2018	Phi Beta Kappa Visiting Scholar (8 multi-day, multiple lectures, campus visits)	
2017	Douglas Eveleigh Lecturer, Microbial Diversity Course, Woods Hole, MA	
2014 - 2015	National Academies Education Fellow in Science	
2013 - 2015	Inaugural Luhrs Faculty Fellow, Center for Innovation and Leadership, Swarthmore College	
2011 – 2013	ASM Distinguished Lecturer	
2007 - 2017	President, Waksman Foundation for Microbiology	
2009 - 2010	Lindback Teaching Fellowship, Swarthmore College (sabbatical funding)	
2007 - 2009	Chair-elect, chair, advisor, General Microbiology Division, ASM	
2006	Carski Foundation Distinguished Undergraduate Teaching Award (awarded by the ASM's American Academy for Microbiology)	
2003 – 2006	Member, Nominating Committee - American Academy of Microbiology's Founders Distinguished Service Award (appointed for a 3-year term):	
2002	Who's Who Among America's Teachers, 7 th edition, nominated by C. Cardemil '01	
2002	ASM Eastern Pennsylvania Branch's Annual Education Speaker	
2001 – 2017	Trustee, Waksman Foundation for Microbiology	
2001	Swarthmore Asian Organization: Certificate of Recognition (nominated by students)	
2000	Member, Undergraduate Research Committee of the American Society for Microbiology's Education Board: ASM Board of Education and Training, <i>which received the 2000 Presidential Award for Excellence in Science, Mathematics and Engineering Mentoring</i>	
1994	DuPont Company Research Accomplishment Award	
1979	Outstanding Teaching Assistant Award, School of Chemical Sciences, Univ. of Illinois	
1973 – 1974	Arthur B. Cohn Scholarship, Rice University	

Professional Societies

American Association for the Advancement of Science
American Association of University Women
American Society for Microbiology
European Honors Council
NEMPET (North East Microbial Physiology, Ecology and Taxonomy)
Sigma Xi: National and Swarthmore College chapter

Additional Professional Training

2017 Biotrac Next Generation Sequencing (NGS) workshop, Bethesda, MD
2014 National Academy of Sciences Summer Institute on Undergraduate Education in Science; Harvard University, Cambridge, MA
2013 Genome Consortium for Active Teaching (GCAT) Synthetic Biology Workshop Janelia Farm, MD (HHMI)
2003 Genome Consortium for Active Teaching (GCAT) Microarray analysis Dickinson University, Carlisle, PA
1998 Center for Advanced Training in Cell and Molecular Biology - Hybridization Catholic University of America, Washington DC

Vollmer - Research Experience mentoring Students at Swarthmore College

Student (class year) major (H= honors) current/last known position

*= ASM undergraduate research fellow

Kent Chen '22	Biology	Research Assistant, Broad Institute, MA
Jean-Baptiste Robert '21	Biology	Banking Analyst, Philadelphia, PA
Andrew Zhu '21	Biology	Master's degree candidate, Oxford University
Andi Cheng '21	Biology H	Research Assistant, The Broad Institute
Ryan Stanton '20	Biology H	Research Assistant, NIH (IRTA)
Calla Bush St. George '20	Biology	Graduate Student, Cornell Univ
Eva Adjei-Danquah '20	Biology	Research Assistant, Univ of Penn
Linda Vu '19	Biology H	Research Assistant, University of Maryland
May Dong '18	Biology	Research Assistant, Wistar Inst, Philadelphia, PA
Isabel Erickson '18	Biology H	Research Assistant, NIH (IRTA)
Bennett Parrish '18	Biology	Research Assistant, Federal Reserve
co-mentored with Jose Luis Machado		
Luke Eppley, '17	Biology H	Clinical assistant, Wilmington, DE
Bolutife Fakoya '17	Biology	PhD, Harvard
Veda Khadka '16	Biology	PhD, MIT
Randall Burson '15	Biology H	Fulbright fellow; Medical student, Univ of Penn
Roxanne Morris '15	Biochemistry H	Research Assistant, Univ of Penn
Martin Mathay '15	Biochemistry	PhD, NSF fellow, Univ of Washington, WA
Natalie Campen '14	Environ Studies H	MD, UCLA
Jasmeet Samra '14	Biology	Research Assistant, Penn State Univ, PA
Stephanie Chia '13	Biology	MD, Einstein Medical College
Erik Tvetenstrand '14	Biology	PhD, Columbia
co-mentored with Brad Davidson		
Karan Padda '14	Biology H	MD, University of Toledo

Emma Spady '13	Biochemistry H	PhD, Harvard
Nina Kogekar '13*	Biology H	MD NYU; resident, internal medicine
Ted Goh '14	Biology	MD Boston University, MA
Sinan Kazaklar '14	Biology	MBA, London School of Econ; analyst, Goldman Sachs
Ariel Parker '15	Biology	PhD, Johns Hopkins University, MD
Tom Liu '12	Biology	MD, Univ Penn <i>co-mentored with Sara Hiebert Burch</i>
Michelle Walters '12	Biology	Research assistant, Univ of Texas
Elizabeth Matlock '12	Biology	MD, Georgia Medical School, Athens, GA
Laura Rodgers '12	Biology H	MD-PhD, Univ Illinois Chicago; NIH
Amy Langdon '11	Biology H	PhD, Washington Univ. St. Louis
Nicole Machac '11	Biology H	MD Cornell; OB-Gyn, Cooper Hospital, NJ
Cory Benjamin '10	Biology	MD student, West VA School of Medicine, VA
Danny Lascano '10	Biology	MD Columbia, surgery resident, NY
Natasha Weiser '10*	Biology H	MD-PhD, Univ. Michigan
Sunjay Barton '09*	Biochemistry H	MD Columbia University; radiation oncologist, NY <i>co-mentored with Carr Everbach, Engineering</i>
Tristan Bice '09	Biology	MD University of Rochester; oncologist
Jesse Handler '09	Biochemistry H	MD-PhD, NYU; preventative medicine Beth Israel Deaconess Medical Center, Boston, MA
Anna deRegt '09	Biochemistry/Engineering	PhD, MIT; postdoc Fred Hutchinson Center, WA <i>co-mentored with Carr Everbach, Engineering</i>
Nanelle Barash '08*	Biology H	DVM-PhD, UCDavis
Kathleen Condon '08	Biology H	MD, MPH, Univ. Toledo, Ohio
Benjamin Krasity '08	Biochemistry H	MD-PhD Univ. Wisconsin, Pediatrics, U Chicago
Dan Yoon '08	Biology	MD NYU, otolaryngologist, MN
Meagan Bolles '06*	Biology H	MD-PhD UNC-Chapel Hill, infectious diseases, Baltimore MD
Charlie Buffie '06*	Biology H	MD-PhD Sloan Kettering, Internist, NY
Alex Glick '06	Biology H	MD Tufts, Pediatrician, NYU
Stephanie Losq '05	Biology	MD, Family Medicine, LA
Ryan Esquejo '05	Biology	PhD, UC Irvine; Research manager, Pfizer
Aaron Strong '06	Biology H	PhD, Stanford; Assistant Professor, Hamilton College <i>co-mentored with J. Hagelin, Biology</i>
M. Jawaad Hussain '05	Biology H	MD, New York University, Radiologist, MA <i>co-mentored with J. Hagelin, Biology</i>
Aparna Kishor '05*	Biochemistry H	MD, Univ. VA, surgeon, Baltimore, MD <i>co-mentored with C. Everbach, Engineering</i>
Jorge Aguilar '05	Biology	MD-PhD, Albert Einstein Medical College
Melanie Johncilla '05	Biology	MD, Pathology, MA
Joanne Gaskell '03	Biology H	PhD, Stanford Univ.; agricultural advisor, World Bank <i>co-mentored with Andrea Stout, Physics</i>
Jeanne McFalls '03*	Biology H	MD (UPenn), clinical asst professor of pathology, UPenn
Mathew So '03*	Biology H	MD (Mayo), diagnostic Radiology, Winston-Salem, NC <i>co-mentored with C. Everbach, Engineering</i>
Krista Marshall '03	Biochemistry	MD, Univ. Pittsburgh
Laura Valentine '02	Biology	PhD, Univ. Wisconsin, postdoc UCSF
Nicolle Gorby '03	Biology	MD, MPH, OB-Gyn, PA
Semhar Madmud '02	Biology	MD, Drexel Univ., OB-Gyn, PA
Andrew Alderete '02*	Biology	Head, Communications and Public Relations, Cineconcerts

Russell Shigeura '02	Biology	deceased
Haena Kim '02	Biology	MD (Univ. Pittsburgh), Plastic surgeon, CA <i>co-mentored with C. Everbach, Engineering</i>
Greg Bokinsky '01	Biochemistry H	PhD (Harvard); Faculty at TU Delft <i>co-mentored with A. Jain, Chemistry</i>
Cristina Cardemil '01*	Biology	MD (Univ. Pennsylvania); MPH (Johns Hopkins) Molecular Epidemiology CDC
Anne Willman '01	Biology	MD (Univ. Pittsburgh); Oncologist, NJ <i>co-mentored with C. Everbach, Engineering</i>
Clarissa Nobile '01*	Biology	PhD (Columbia); Associate Prof, UC Merced, CA
Joseph Tucker '00	Biology H	MD-PhD (UNC-Chapel Hill); Associate Professor UNC
Andrew Caffrey '99	Biology H	JD (Harvard); Assistant US Attorney, NY <i>co-mentored w/ R. Latham, Biology</i>
Nathaniel Hanson '99*	Biology H	MS (MIT) <i>co-mentored with T. Mysliwiec, leave replacement</i>
Anna Tischler '99*	Biology H	PhD (Tufts); Associate Prof, Univ of MN <i>co-mentored with T. Mysliwiec, leave replacement</i>
Marianna Ruzinova '98*	Biochemistry H	MD-PhD (Columbia); Faculty member, WUSTL, MO
Matthew Halpern '98*	Biology H	MD (Harvard); dermatology and surgery, PA <i>co-mentored with C. Everbach, Engineering</i>
Sylvia Kwakye '98	Engineering	PhD (Cornell); Legal Information Institute (Cornell Univ) <i>co-mentored with C. Everbach, Engineering</i>
Tinsley Davis '98	Biology	MA (Univ Wisc); Exec. Director, Natl. Asso. Science Writers
Elizabeth Glater '97*	Biology H	PhD (Harvard); Associate Prof, Pomona College, CA
Jovanka Tepavcevic '97	Biochemistry H	PhD (Univ of Washington) Associate Prof, Wheaton College, IL
Steven Vokes '97	Biology	PhD, Associate Prof., UT Austin, TX
Brenda Ayers '97	Biochemistry	MD, internal medicine, NY <i>co-mentored with T. Van Dyk, DuPont Co.</i>
Karli Watson '97	Biophysics	PhD (CalTech); postdoctoral fellow, Duke Univ Univ. of Colorado; ICS Executive Committee, Research Associate Institute of Cognitive Science <i>co-mentored with R. Pasternack, Chemistry; P. Collings, Physics</i>
Adisetyantari Suprpto '96*	Biology H	PhD; Director, Norvo Nordisk, San Diego, CA
Chi Yun '95	Biology	PhD (UCSD), director NYU Core RNAi facility
L. Christine Turtzo '94	Biology H	MD-PhD (Johns Hopkins Univ.); faculty JHU <i>co-mentored with S. Gilbert, Biology</i>
Todd Kim '94	Biology	MD (Stanford); orthopedic surgeon, CA
Elizabeth Campbell '92	Biology	PhD (Rockefeller); Professor, Rockefeller Univ, NY
Chris Chon '92	Biology	MD (Stanford); urology, TX
Maarten Hoek '92	Biology	PhD; Senior Director, Maze Therapeutics, CA

Summer students from other colleges hosted at Swarthmore

2000	Anna Rafalski, Tufts Univ. '01	PhD, Univ. Arizona
1993	Mary Anne Hirshfeld, Williams College '95	PhD in Geology
1991	Nat Gordon-Clark, Oberlin College '93	Attorney (Intellect. Prop), Washington, DC

Swarthmore Faculty hosted in the laboratory**

2005	Cheryl Grood, Department of Mathematics and Statistics
2005	Philip Jefferson, Department of Economics; presently, Vice-Chair of the Federal Reserve

- 2007 Bruce Maxwell, Department of Engineering; presently with Northeastern Univ. Khoury College of Computer Science
- 2007 Barbara Milewski, Department of Music and Dance
- 2011 Timothy Burke, Department of History
- 2013 Rachel Buurma, Department of English

Swarthmore Staff hosted in the laboratory

- 2012 Melissa Mandos, Assistant Dean, fellowships and prizes
- 2012 Leslie Hempling, Assistant Dean, disabilities
- 2013 Eric Behrens, ITS; presently, VP for Library and Information Service, Widener University

****Highlighted in articles:**

April 2013 *Swarthmore Bulletin*: "Unlikely Scientists" Microbiologist Amy Cheng Vollmer unites two cultures in her 'only-at-Swarthmore' lab experiment

<http://bulletin.swarthmore.edu/bulletin-issue-archive/index.html%3Fp=1048.html>

October 2005 *The Chronicle of Higher Education*, by Philip Jefferson: "Economist as Biologist"

Summer research students mentored at Mills College

- | | |
|------------------------|------|
| Sondra Henderson '89 | 1989 |
| Phillippa Amick '88 | 1987 |
| Christina Stimmann '87 | 1986 |

High School Students and Teachers Hosted in the Summer

- | | |
|---|--|
| Brandywine High School (DE) student: | Victoria Rafalski '01 |
| Strath Haven High School (PA) students: | Tim Ripper '05, Lipsa Bhagat '02, John Scott '02, Naasiha Siddiqui '00, Hwa-Jia Yu '98 |
| Ridley High School (PA) students: | Dana Kozubal '05, Matthew Bramucci '95 |
| Cheltenham High School (PA) student: | Andrew Levy '01 (2 summers) |
| Penn Crest High School (PA) student: | Sandra Sun '94 |
| Chester High School (PA) student | Charles Garnet '92 |
| Chester High School (PA) teacher: | Judith Odom |
| Upper Darby High School (PA) teacher: | Kelly Byrne |

- 1995 – 1996 Along with 4 other Swarthmore science faculty, hosted 24 elementary/secondary teachers from 4 local school districts: Upper Darby, Lower Merion, Wallingford-Swarthmore, Baldwin School in the IMAST program (integrated math and science teaching) to develop teaching units for middle school teams of English, Social Studies, Math and Science

Invited Lectures on Research

- 2022 Smith College, Annual Life Science lecture series, Northampton, MA
- 2019 Fireside chat, Molecular Biology and Physiology ASM Microbe, San Francisco, CA
- 2018 Fireside chat, Molecular Biology and Physiology ASM Microbe, Atlanta, GA
- 2018 Neil Welker Memorial Keynote speaker: What Bacteria Can Teach Us about Stress Response, 62nd Wind River Conference on Prokaryotic Biology, Estes Park, CO (invited by graduate students)
- Phi Beta Kappa Lecture: Bacterial Stress Response, Butler University, Indianapolis, IN
- 2017 Phi Beta Kappa Lecture: Bacterial Stress Response, Randolph-Macon College, VA
- Phi Beta Kappa Lecture: Gut Microbiome, Randolph-Macon College, VA
- Phi Beta Kappa Lecture: Dancing with the Bugs: Choreography for Humans and their

- Microbial Partners, University of Maine, Orono, ME
 Phi Beta Kappa Lecture: Bacterial Stress Response, University of Maine, Orono, ME
 Phi Beta Kappa Lecture: Gut Microbiome, Elmira College, NY
 Phi Beta Kappa Lecture: Bacteria Stress Response, Elmira College, NY
 Marine Biological Laboratories Microbial Diversity Course, Woods Hole, MA
 California Institute of Technology, Pasadena, CA
 University of California, Los Angeles, CA
 Pomona College, Claremont, CA
- 2016 Amherst College, Amherst, MA
 University of Massachusetts, Amherst, MA
 Smith College, Northampton, MA
 University of Texas Medical Center, ASM Student Chapter, Houston, TX
 Gordon Research Conference on Microbial Stress Response, session chair
- 2014 Allegheny Branch ASM speaker, Lycoming College, PA
- 2013 ASM speaker, Delta University, University Center, MI
 University of Georgia, Department of Microbiology, Athens, GA
 National Institutes of Health, Microbiology Division, Bethesda, MD
 ASM Distinguished Lecturer – Ohio Branch, Ashland, OH
- 2012 ASM Distinguished Lecturer – North Central Branch, Fargo, ND
 ASM Distinguished Lecturer – Indiana Branch, Crawfordsville, IN
 ASM Distinguished Lecturer – Missouri Branch, St. Joseph, MO
 Bryn Mawr College, Department of Biology, Bryn Mawr, PA
- 2010 Rice University Institute for Biosciences and Bioengineering, Houston, TX
- 2008 Allegheny Branch of the American Society for Microbiology annual symposium,
 Bucknell University, Lewisburg, PA
- 2007 Eastern Michigan University, Department of Biology, Ypsilanti, MI
 North East Microbiologists - Physiology, Ecology, Taxonomy conference, Willowbrook, NY
 Coastal Carolina University, Myrtle Beach, SC
 Cornell University, Department of Microbiology, Ithaca, NY
- 2006 University of Texas-Arlington, TX (Microbiology Student Chapter invitation)
 University of Pennsylvania, Philadelphia, PA
 Bristol Myers Squibb, New Brunswick, NJ
 The Pennsylvania State University, State College, PA
 Emory University, Atlanta, GA
 University of Washington, Seattle, WA
- 2005 Shenandoah Valley VA (Combined communities of: Bridgewater College, James Madison Univ.,
 Eastern Mennonite Univ., Mary Baldwin College) Student Chapter of the ASM - Inaugural Lecture
 Gettysburg College, Gettysburg, PA
 Oklahoma State University and the Missouri Valley Branch of the ASM
 University of Arizona, Tucson, AZ
- 2003 Villanova University, Philadelphia, PA
 Dickinson College, Carlisle, PA
 Lehigh University, Bethlehem, PA
 Responder to Richard Lewontin, Symposium in Honor of Hugh Lacey's retirement from
 Swarthmore College
- 2002 St. Joseph's University, Philadelphia, PA
 Bucknell University, Department of Biology, Lewisburg, PA
 University of Georgia, Athens, GA, Research Experience for Undergraduate (REU):
 Inaugural Summer Program Speaker

- 2001 Drexel University, Department of Biology and Biotechnology, Philadelphia, PA
Indiana University, Department of Biology, Bloomington, IN
- 2000 Williams College, Department of Biology
Linda Hall Library, Kansas City, MO
Gordon Research Conference on Microbial Stress Response
Swarthmore College, Alumni Weekend Lecture
- 1999 Swarthmore College, Board of Managers Meeting
Swarthmore College, Faculty Noon Lecture
- 1998 Univ. of Pennsylvania, School of Medicine, Dept. of Microbiology
- 1997 Rice University, Department of Cell Biology and Biochemistry
Ursinus College, Department of Biology
Hofstra University, Department of Biology
- 1996 Texas A & M University, Department of Biochemistry and Biophysics
- 1995 Hamilton College, Department of Biology
The Second Tri-College Symposium on Research in the Life Sciences, Haverford, PA
Swarthmore College, Alumni Weekend
Swarthmore College, Faculty Lecture
- 1993 University of Chicago, Department of Biochemistry & Molecular Biology
The First Tri-College Symposium on Research in the Life Sciences, Swarthmore, PA
- 1992 North East Microbial Physiology, Ecology and Taxonomy Meeting
Swarthmore College, Sigma Xi Noon Lecture
Nineteenth International Conference on the Biology of Myxobacteria
Swarthmore College, Department of Biology
- 1991 Eighteenth International Conf. on the Biology of Myxobacteria; session chair
Temple University, Biology Department
- 1990 Philadelphia College of Pharmacy and Science, Department of Chemistry
Swarthmore College, Department of Biology
- 1989 University of Delaware, Department of Life Sciences
Swarthmore College, Department of Biology
Pomona College, Department of Chemistry, Pomona, CA
- 1988 Cutter Biological Laboratories, Berkeley, CA
- 1985 University of California, Santa Cruz, Department of Biology
University of California, Berkeley, Department of Genetics
Mills College, Department of Biology
SRI International, Menlo Park, CA
Genentech, Inc. South San Francisco, CA
- 1984 International Mid-Winter Conference in Immunology, Pacific Grove, CA
- 1983 American Society for Microbiology Annual Meeting, New Orleans, LA

Invited Lectures on Education/Careers/Public Face of Microbiology/Science Communication/Outreach

- 2025 Keynote speaker for American Society for Microbiology's Profession of Microbiology community retreat, virtual session on: Unique Needs for Professional Development at Different Career Stages; "Mentoring and Networking: Two professional lifelines for all stages of your career"
- 2024 St. Joseph's University McNulty Scholars Program Keynote Speaker
University of Delaware, Osher Center for Life Long Learning: "Why We Get Sick...or Not"
- 2023 University of Delaware, Osher Center for Life Long Learning: "Immune System Overview: Focus on Innate Immunity"
- 2022 University of Delaware, Osher Center for Life Long Learning: "Antibodies: One part of the immune response to infection"

- 2021 Eastern PA ASM Branch, Normal Willett Memorial Lecture: "Microbiology: Nevertheless, We Persisted"
<https://epaasm.org/archive/788th-monthly-meeting-norman-willett-memorial-lecture-june-14-2021-amy-cheng-vollmer-ph-d/>
-
- International Conference – World of Talent 2021: International conference on talent development and honors education - "Swarthmore College's Honors Program: Critical engagement, engaged scholarship and community building" (invited by Marca Wolfensberger)
<https://mafraser.wixsite.com/worldoftalent2021/provisional-program>
- 2021 Swarthmore Psychology Wellness class guest lecture: "The Gut Microbiome and Its Effect on Your Brain Health and Wellbeing" (Invited by Jane Gilham)
- 2020 Swarthmore alumni webinar: "The Gut Microbiome: How the host and microbial communities influence each other" (invited by Alumni Council)
- Swarthmore Psychology Wellness class guest lecture: "The Gut Microbiome" (Invited by Jane Gilham)
- Swarthmore Psychology Wellness class guest lecture: "The Gut-Brain Axis " (Invited by Jane Gilham)
- University of Delaware, Osher Center for Life Long Learning; 2 lectures in current events series:
 "The Gut Microbiome: How it keeps us healthy" and "The Gut-Brain Axis: How our gut microbes affect our moods and behavior" (invited by Diana Stevens)
- 2020 MIT, summer research program, Department of Biology, Department of Brain & Cognitive Sciences
 Center for Brains, Minds and Machines: lecture on 4-year college career track
- 2020 MIT, summer research program, Department of Biology, Department of Brain & Cognitive Sciences
 Center for Brains, Minds and Machines: lecture on 4-year college career track
- International Conference on Talent Development and Honors Education 2020, *postponed from 10-12 June 2020 in Groningen, the Netherlands due to COVID-19*
- 2019 Swarthmore Garnet Weekend: Lecture on the Gut-Brain Axis: Influence of the gut microbiome
- 2018 Rice University Center for Teaching Excellence: Integrating Teaching and Research at a Small Liberal Arts College, Houston, TX
- Rice University Center for Teaching Excellence: Networking and Mentoring - Two professional lifelines, Houston TX
- Wind River Conference on Prokaryotic Biology: Diverse Careers in Microbiology, Estes Park, CO
- ASM Microbe 2018: Fireside chat about ASM governance and careers
- Phi Beta Kappa Lecture: The Gut Microbiome and Its Effect on Host Behavior, St. Mary's College of Maryland, St. Mary's City, MD
- Phi Beta Kappa Lecture: Staying Healthy in a Microbial World, St. Mary's College of Maryland, St. Mary's City, MD
- Phi Beta Kappa Lecture: The Gut Microbiome and Its Effect on Host Behavior, Butler University, Indianapolis, IN
- Phi Beta Kappa Lecture: The Microbial World: Small and ancient is not primitive and Unsophisticated, Butler University, Indianapolis, IN
- Phi Beta Kappa Lecture: Science Literacy: Building Bridges and Trust, Butler University, Indianapolis, IN
- Phi Beta Kappa Lecture: Science Literacy: Building Bridges and Trust, Vanderbilt University, Nashville, TN
- Phi Beta Kappa Lecture: Swarthmore's Summer Scholars Program, Vanderbilt University, Nashville TN
- Phi Beta Kappa Lecture: The Microbial World, Illinois College, Jacksonville, IL
- Phi Beta Kappa Lecture: Swarthmore's Summer Scholars Program, Illinois College, Jacksonville, IL
- Phi Beta Kappa Lecture: Staying Healthy in a Microbial World, Illinois College, Jacksonville, IL
- Phi Beta Kappa Lecture: The Gut Microbiome and Its Effect on Host Behavior, Illinois College, Jacksonville, IL
- 2017 Phi Beta Kappa Lecture: Science Literacy: Building Bridges and Trust, Howard University,

- Washington, DC
- Phi Beta Kappa Lecture: Science Literacy: The Gut Microbiome: the Gut Brain Axis, Howard University, Washington, DC
- Phi Beta Kappa Workshop with Women in STEM on Networking and Mentoring, Howard University, Washington, DC
- Phi Beta Kappa Lecture: Science Communication, Randolph-Macon College, VA
- Phi Beta Kappa Lecture: Science Literacy, the case for Vaccines, Randolph-Macon College, VA
- Phi Beta Kappa Lecture: Diverse Career Trajectories for Science Majors, University of Maine, Orono, ME
- Phi Beta Kappa Lecture: Living the Scientific Method: Science Communication and Credibility, University of Maine, Orono, ME
- Phi Beta Kappa Lecture: Mentoring and Networking, your professional lifelines, University of Maine, Orono, ME
- Phi Beta Kappa Lecture: Science Communication and Science Literacy, Elmira College, NY
- HHMI Biointeractive High School Educators conference on Microbiology and the Microbiome: speaker and workshop leader, HHMI, Chevy Chase, MD
- Microbial Diversity Course, Woods Hole, MA: lecture on diverse careers in microbiology
- Massachusetts Institute of Technology, Cambridge, MA
- four lectures: career at a small college; professional lifelines: networking and mentoring
- consultant to women in science on self-promotion
- California Institute of Technology, Pasadena, CA
- three lectures: careers; active learning; metabolism
- Keynote speaker, St. Joseph's University's Annual Teaching and Learning Forum
- Workshop leader, St. Joseph's University's Annual Teaching and Learning Forum
- 2016 MIT, summer research program, Department of Biology, Department of Brain & Cognitive Sciences
- Center for Brains, Minds and Machines
- University of Illinois, Urbana/Champaign, Department of Microbiology
- Amherst College, Department of Biology, Amherst, MA
- Davidson College, Department of Biology, Davidson, NC
- University of Texas Medical Center, ASM Student Chapter, Houston, TX
- Career Panel, University of Pennsylvania Postdoctoral and Career Services offices
- Dunwoody Village, Newtown Square, PA: Are We Alone? Astrobiology's inquiry into the life on earth and elsewhere, on the origin of the earth and life on it (co-presenter with Eric Jensen, astronomer)
- Distinguished speaker, 7th Annual Baylor College of Medicine NIH Institutional Research and Career Development Award (IRACDA) Research Symposium, Houston TX
- Science for Everyone: Encouraging professional, personal and public enthusiasm for science
- 2015 Dunwoody Village: Nature and Nurture. Newtown Square, PA
- Brown University Sheridan Teaching Center, speaker on teaching in the sciences
- 2014 American Society for Microbiology, public outreach panel discussion at the General Meeting
- Dunwoody Village: Microbiology in our lives. Newtown Square, PA:
- 2013 White Horse Village Retirement Community, (co-presenter with Eric Jensen, astronomer, on the origin of the earth and life on it), Media, PA
- American Society for Microbiology, Theobald J Smith Society ASM Branch, New Brunswick, NJ
- National Institutes of Health, Pharmacology Research Associate (PRAT)
- Program Seminar Series, Bethesda, MD
- ASM Distinguished (Branch) Lecturer - Ohio Branch, Ashland, OH
- University of Delaware, Life Long Studies, Wilmington, DE

- Rutgers University's celebration of the 60th anniversary of Selman Waksman's Nobel Prize
- 2012 University of Delaware, Life Long Studies, Wilmington, DE
 Rotary Club, Swarthmore, PA
 St. Joseph's University McNulty Scholars Program Speaker
 Invited presenter at Pearson's Biology Leadership Conference 9, Kiawah Island, SC
 ASM Distinguished (Branch) Lecturer – North Central Branch, Fargo, ND
 ASM Distinguished (Branch) Lecturer – Missouri Branch, St. Joseph, MO
- 2011 ASM Branch Lecturer – Western New York Branch, Albany, NY
 Rotary Club, Christiana, DE
- 2010 Plenary speaker – reprise of Carski award lecture, ASMCUE, San Diego, CA
 National Institutes of Health, Career Panel, Bethesda, MD
 Rice University, Institute for Biosciences and Bioengineering, Houston, TX
 Rice University, Department of Biochemistry and Cell Biology, Houston, TX
 University of Texas Health Sciences Center, Microbiology program, Houston, TX
 Texas Medical Center, Student Chapter of the American Society for Microbiology, Houston, TX
 University of Pennsylvania Career Services, Philadelphia, PA
 University of Pennsylvania Medical School postdoctoral fellows career panel, Philadelphia, PA
- 2009 College of Physicians- panel on antibiotic resistance and MRSA, Philadelphia, PA
 Indiana University, Biology Department, Bloomington, IN
 Keynote speaker, Strategies for Success Workshop, Pearson Publishing,
 Quinsigamond Community College, Worcester, MA
- 2008 Allegheny Branch of the American Society for Microbiology annual symposium
 held at Bucknell University, Lewisburg, PA
 Ballenger Lecture Series: Eminent Scientists, Mott Community College, Flint, MI
 Keynote speaker on Mentoring and Networking, ABRCMS, Orlando, FL
 University of Pennsylvania, Graduate School of Arts and Sciences, Philadelphia, PA
 Harvard University, Graduate School of Arts and Sciences, Cambridge, MA
 Boston University, Women in Biology, MA
 AAAS Meeting, Careers involving scientific training and interpersonal communication, Boston, MA
 Keynote speaker, Strategies for Success Workshop, Pearson Publishing, Ohlone Community College,
 Newark, CA
 Keynote speaker, Strategies for Success Workshop, Pearson Publishing, Toronto, Canada
- 2007 Keynote speaker on Mentoring and Networking, ABRCMS, Austin, TX
 University of Michigan, Life Sciences Post-doc Association, Ann Arbor, MI
 Keynote speaker, Strategies for Success Workshop, Pearson Publishing, Henry Ford
 Community College, Dearborn, MI
 ASM Kadner Institute: Career Preparation-Graduate Students & Postdocs, Boulder, CO
 Cornell University, Department of Microbiology, Ithaca, NY
 MIT, Department of Biology, Masters Education Group, Cambridge, MA
 Tufts University, Department of Microbiology, Boston, MA
 Harvard University, Office of Career Services, Cambridge, MA
 Harvard University, Microbial Sciences Program. Cambridge, MA
 Albert Einstein College of Medicine/Yeshiva University, NY
- 2006 Panelist, Johns Hopkins University (School of Medicine): Careers in Academics
 University of Texas-Arlington, TX (Microbiology Student Chapter invitation)
 ASM (American Society for Microbiology) Education Board Sponsored Kadner Institute:
 Careers Workshop Panelist on Liberal Arts College Faculty Careers, University of Connecticut,
 Storrs, CT
 Virginia Polytechnic Institute and State University, Career Symposium, Blacksburg, VA

- University of Illinois, Urbana-Champaign, IL
 University of Wisconsin, Madison, WI
 University of Pennsylvania Biomedical Postdoctoral Programs - Career Workshop Series:
 Pursuing an Academic Career, Philadelphia, PA
 Swarthmore College Alumni in Atlanta, GA
 Swarthmore College Alumni in Seattle, WA
 ASM General Meeting - Student Brown Bag Lunch Series: Non-bench Career Trajectories
 ASM Conference for Undergraduate Educators: Teaching Metabolism Interactively
- 2005 American Society for Microbiology General Meeting - Student Brown Bag Lunch Series:
 Non-bench Career Trajectories
 Strategies for Success Workshop at Prince George's Community College, MD (Pearson,
 Benjamin Cummins Publisher)
 University of Pennsylvania - Career Workshop for biomedical postdoctoral fellows
 ASM Education Board Sponsored GAP (Graduate students & Postdoc) Sumner Institute:
 Careers Workshop Panelist on Liberal Arts College Faculty Careers, University of
 Connecticut, Storrs, CT
- 2004 Swarthmore College Alumni in London, UK
 Strategies for Success Workshop at Montgomery County Community College, PA
 (Benjamin Cummins Publisher)
 ASM Education Board Sponsored GAP (Graduate students & Postdoc) Sumner Institute: Careers
 Workshop Panelist on Liberal Arts College Faculty Careers, University of Connecticut, Storrs, CT
- 2003 ASM Undergraduate Education Conference, College Park, MD
- 2002 ASM Eastern Pennsylvania Branch, Philadelphia, PA
 ASM Undergraduate Education Conference, Salt Lake City, UT
 ASM General Meeting, Committee on the Status of Women in Microbiology: Session on
 Careers in Microbiology, Salt Lake City, UT
 University of Georgia, Athens, GA, Research Experience for Undergraduate (REU):
 Inaugural Summer Program Speaker
 National Association of Biology Teachers National Meeting, Cincinnati, OH
- 2001 Drexel University, Department of Biology and Biotechnology, Philadelphia, PA
 Indiana University, Department of Biology, Bloomington, IN
- 1996 Texas A & M University, Department of Biochemistry and Biophysics
- 1992 AAUW - Northern Philadelphia Region: Women in Science Day
 Franklin Institute: Women in Science Day

Informal presentations/podcasts

- 2021 Science for Kids: 2 presentations about bacteria, viruses and vaccines (COVID-19, in particular)
 Posted by Jeff Ostroff about previous podcast:
<https://www.tapinto.net/towns/somerville/articles/only-your-gut-knows-for-sure>
- 2020 Interviewed by Jeff Ostroff for podcast Looking Forward: The Gut-Brain Axis
<https://www.stitcher.com/podcast/looking-forward-2>
 Swat Talk Shorts: The Pandemic and the Liberal Arts
<https://www.swarthmore.edu/minding-the-light/swattalk-shorts>
 New Castle County (Delaware) podcast with County Executive, Matthew Meyer
 Audio: <https://www.nccde.org/1854/Podcounty> - episode 9
 Video: <https://www.youtube.com/watch?v=8J58Ba1T9bU&feature=youtu.be>
 Swat Talk (alumni virtual lecture) on the Gut Microbiome
<https://www.swarthmore.edu/alumni-resources-events/gut-microbiome-how-host-and-microbial-communities-influence-each-other>

- 2018 Interviewed for and featured in *Kazoo Magazine: The Magnificent Mistakes Issue*
- 2018 Podcast interview for Key Conversations with Phi Beta Kappa: Amy Cheng Vollmer Unofficial Ambassador for Good Bacteria. <https://www.pbk.org/key-conversations-archive>; transcript at https://www.pbk.org/Files/Visiting-Scholar/Key-Conversations-with-Phi-Beta-Kappa_-Amy-Cheng-V.pdf
- 2015 Interviewed on People Behind the Science
<http://www.peoplebehindthescience.com/dr-amy-vollmer/>
- 2012 Invited speaker at Swarthmore's TEDx event: "What Makes a Good Society?"
https://www.youtube.com/watch?v=RyWCkHdB1kk&index=13&list=PLrWOPUJBrn60LVDlwD-Os3Yc9qgHL_Jba

Activities supporting the advancement of Inclusive Diversity, Equity and Access

- 2024 St. Joseph's University McNulty Scholars Program Keynote Speaker: "Leading for the Future: Advancing Women in STEM"
- 2021 NSF-MCB EiR panelist (invited by C. Phoebe Lostroh, PhD, NSF Program Director)
- 2021 - Advisory board member, Undergraduate Research Experience in Transdisciplinary Benign Urologic Disease, Loyola University Chicago (C. Putonti, PhD, program director)
- 2020 - 23 American Academy of Microbiology, Board of Governors Nominating Subcommittee
- 2020 MIT summer research program; presentation on Empowering Women (invited by Mandara Sasanfar)
Judge for poster competition, ABRCMS: 2020 Virtual
- 2019 – 20 American Society for Microbiology, Board of Directors' Shepherd for a Board-level task force on the ASM's role in promoting Diversity, Equity and Inclusion in the microbial sciences: 85-page report presented to Board of Directors in Dec 2020
- 2019 Vollmer, AC. 2019. Encouraging Diversity and Inclusion in Science Via the Book Opening Doors: Joan Steitz and Jennifer Doudna of the RNA World. *J Microbiol Biol Educ.* 20 (2). doi:10.1128/jmbe.v20i2.1885
Invited speaker at upcoming ABRCMS (Anaheim, CA, Nov 13-16) to speak about the role of professional societies in the communication, training, and advancement in improving Diversity, Equity and Inclusion in the societies and workplaces of our members (declined due to schedule conflict)
Presentation about Swarthmore Summer Scholars Program: University of Southern California Dornsife College of Arts and Sciences (invited by Steven Finkel, Graduate Dean)
Presentation to LA area alumni, Swarthmore Summer Scholars Program
Participant, representing ASM in STEM Inclusion Study Best Practices Workshop focused on Professional Organizations
- 2018 Presentations (2) to SF area alumni, Swarthmore Summer Scholars Program
Presentation to Philadelphia area alumni, Swarthmore Summer Scholars Program (Parrish Salon)
- 2017 Presentation to Boston area alumni, Swarthmore Summer Scholars Program
- 2017 Director, Swarthmore Summer Scholars Program
- 2016 MIT summer research program: Networking and Mentoring for Women in Science (invited by Mandara Sasanfar)
- 2015 Inaugural faculty member, teaching laboratory science, Swarthmore Summer Scholars Program
- 2014 - 15 Steering committee of faculty that researched and launched the Swarthmore Summer Scholars Program
- 2013 - 14 Working groups discussion regarding diversity and summer bridge programs
- 2012 Faculty Diversity Panel (invited by Dean of Students)
- 2008 Keynote speaker on Mentoring and Networking, ABRCMS, Orlando, FL

- 2007 Keynote speaker on Mentoring and Networking, ABRCMS, Austin, TX
- 1998 NSF, graduate research (pre-doctoral) fellowship GRFP panelist: microbiology, graduate minority fellowships
- 1998 - 99 Cultural Diversity Task Force (appointed by Provost)
Equal Opportunity Committee (appointed by Provost)
- 1990 - 93 Panelist, Minority Recruiting Day, Admissions Committee (Admissions)
- 1992 – 95 Adviser, Pew Foundation Minority Fellows (appointed by Provost)
- 1990 Invited participant, American Society for Cell Biology: Conference in Careers in Biological Sciences - Advancement for Women and Minorities
- 1989-2022 75% of the 100+ students mentored in my research lab are students of color, LGBTQ+, first-generation college or immigrants/first-generation immigrants

Other informal teaching (full courses):

- 2019 Swarthmore Life Long Studies on Swarthmore campus – LLS 186: Do You Have a Gut Feeling?
4 weeks, one evening per week
- 2008 Swarthmore Life Long Studies in NYC - LLS 122: Why We Stay Well; 8 weeks, one evening per week
- 2006 Swarthmore Life Long Studies on Swarthmore campus - LLS 122: Why We Stay Well, 8 weeks, one evening per week

Service to the Scientific/Academic Community outside of Swarthmore

Reviewer of manuscripts and other editorial activities:

Anaerobe, Applied and Environmental Microbiology, Applied Microbiology and Biotechnology, Archives of Microbiology, BioQuest, Current Microbiology, Journal of Biological Chemistry, Chemosphere, Course Source, FEMS, Food Microbiology, Journal of Biological Physics, International Journal of Biological Sciences, Journal of Bacteriology, Journal of Basic Microbiology, mBio (ASM), Microbial Cell, Proceedings of the National Academy of Sciences (USA), Water Research

Compiled index for the commemorative volume on the *Biology of the Myxobacteria* (ASM Press, 1993; Dworkin, M. and Kaiser, D., eds.)

Textbook reviewer: *Microbiology* (McGraw Hill 2002, Prescott et al.)

Textbook reviewer: *Microbes* (ASM Press 2005, Schaechter, et al.)

Textbook reviewer: *Microbe, second edition* (ASM Press 2015, Schaechter, et al.)

Electronic textbook: Explorer's Guide to Biology (in preparation by Ron Vale, et al.)

Reviewer of grant or fellowship proposals:

- 2024 Goldwater Scholarship, Life Sciences selection committee
- 2021 NSF panelist "Historically Black Colleges and Universities-Excellence in Research"
(solicitation NSF 20-542) (<https://www.nsf.gov/pubs/2020/nsf20542/nsf20542.htm>).
- 2020 - present M. J. Murdock Charitable Trust grants, science grant panelist
- 2013 - 2014 HHMI University grant competition (Round I, II panelist)
- 2009 HHMI University grant competition (Round I, panelist)
- 2006 Kentucky Science and Engineering Foundation, ad hoc
- 2006 HHMI University grant competition, panelist
- 2006 US Civilian Research/Development Foundation (Cooperative Grants Program)
- 2004 - 2012 Murdock Charitable Trust Foundation, ad hoc
- 2002 - 2003 Beckman Scholars Program, Beckman Foundation, advisory panelist
- 2001 - 2002 NSF, GRFP fellowship panel: biochemistry, biophysics and structural biology, panel chair
- 1999 - 2001 NSF, GRFP fellowship panel: biochemistry, biophysics, and molecular biology, panelist

1998 NSF, graduate research (pre-doctoral) fellowship GRFP panelist: microbiology, graduate minority fellowships
 1998 - NIH microbiology research, ad hoc
 1996 - NSF bioengineering, microbial genetics research, ad hoc
 1995 – 2000 University of Hawaii Sea Grant, ad hoc

Thesis committee (external member):

2007 Master's degree thesis: Lori Cory (mentor, J Tudor), St. Joseph's Univ

Program reviewer/consultant:

2024 University of Puget Sound, Department of Biology, Cell and Molecular biology search, sole consultant
 2024 Biology Department, Union College
 2022 Biology Department, Pomona College
 2022 Biology Department, Gustavus Adolphus College
 2016 Biology Department, Lewis University, sole external reviewer
 2015 Biology Department, Lafayette College, external review, committee chair
 2014 Fairfield University, Biology Department, external review, committee chair
 2014 College of the Holy Cross, Biology Department
 2010 The College of William and Mary, Biology Department/Cluster review
 2010 Reed College, Department of Biology, external review
 2009 - 2010 Willamette University, Department of Biology, Microbiology search, sole consultant
 2009 Butler University, Department of Biology, external reviewer
 2009 Colgate University, Department of Biology, chair, external review comm.
 2007 - 2010 University of Arizona: AZ-START program, external consultant
 2005 - 2014 University of Arizona: HHMI program, chair, external review committee
 2006 Ursinus College, Biology Department, external reviewer
 2006 Brigham Young University, Microbiology program, external reviewer
 2001 Dickinson College, Biology department, sole external reviewer
 2003 NSF graduate fellowship program (Committee of visitors)
 1997 Haverford College, HHMI, external reviewer
 1997 Georgian Court College, Biology department (review team chair)
 1995 Westmont College, Re-Accreditation*, external reviewer
 1994 UC Santa Cruz, Re-Accreditation*, external reviewer

*Western Association of Schools and Colleges Site Visit Team

Meeting organizer/convenor

2017 for Microbe 2018 Plenary: "The 100th Anniversary of the 1918 Influenza Pandemic"
 2016 for Microbe 2017 Plenary: "Climate Change and Microbial Feedbacks"
 2013 Session convenor: "Extraordinary and Extreme Microbial Lifestyles at the 113th General Meeting of the American Society for Microbiology"
 2008 Session chair, ASM's 2nd Annual Conference on Beneficial Microbes
 2007 Advisory committee member, BioMicroWorld2007 Conference
 2007 – 2010 Division I Chair-elect, chair, advisor ASM General meeting planning
 2004 – 2013 Convener, Regional Microbiology Educators Network
 2001 Chair, Session on Mentoring, General Meeting of the ASM
 2000 Vice chair (elected), Gordon Conference on Microbial Stress Response
 1993 Convener, the First Tri-College Symposium on Research in the Life Sciences
 1992 Co-convenor, the International Meeting on the Biology of the *Myxobacteria*, celebrating the centennial of the discovery of the *Myxobacteria*

American Society for Microbiology – Service

2025	NIH INBRE – ASM Branch Partnerships Task Force
2020 - 2023	American Academy of Microbiology, Board of Governors Nominating Subcommittee
2019 - 2020	Board of Directors' Shepherd for seating and launching a Board-level task force on the ASM's role in promoting Diversity, Equity and Inclusion in the microbial sciences
2018	Nominating Committee for ASM Governance
2017	Co-Chair, Profession of Microbiology track, Microbe 2018 Meeting Planning Committee
2017 - 2021	American Society for Microbiology, Finance Committee
2017 - 2020	American Society for Microbiology, inaugural Board of Directors
2017 - 2020	American Society for Microbiology, Council on Microbial Sciences
2015 - 2018	ASM's Meeting Planning Committee for Microbe, annual meeting
2011 - 2014	ASM's General Meeting Planning Committee
2011 - 2013	ASM's Center for the History of Microbiology/ASM Archives Committee
2011 - 2013	ASM's Career Development Grants for Postdoctoral Women Committee
2010 - 2013	ASM Carski Undergraduate Teaching Award nominating committee
2007 - 2010	Chair Elect, Chair, Advisor - Division I (General Microbiology)
2004 - 2009	Chair, Student Membership Committee
2003 - 2006	ASM Founders Distinguished Service Award Nominating Committee
2003	Judge, Delaware Valley Science Fair, presented ASM Eastern Branch award
2001, 2002, 2006, 2012	Presenter - Undergraduate Education Conference
1999 – 2003	Editor-in-chief, <i>Microbiology Education</i> , ASM Education Board
1998 - 2002	Member, ASM Committee on Undergraduate Education
1999 - 2017	Member, Eastern PA Branch, education Committee

Other service

2023 - 2024	NSF VaULTS mentor, for assistant professor at Western Washington University
2015 - 2019	External mentor, for assistant professor in biology at Amherst College
2007 - 2017	President, Waksman Foundation for Microbiology
2005 - 2014	Consultant, University of Arizona's HHMI grant proposal
2001 - 2017	Trustee, Waksman Foundation for Microbiology
2000, 2001, 2006	Judge, Concord High School (Wilmington, DE) Science Fair
2000	Presenter, Brandywine School District (DE) In-service for Science Teachers
1990	Invited participant, American Society for Cell Biology: Conference in Careers in Biological Sciences - Advancement for Women and Minorities
1993 - 1996	Rice University Alumni Association Board (nationally elected position)
1988	Council on Undergraduate Research: Committee for Scholarships and Grants

Swarthmore College Service - Tri-College and College-wide

Invited presentations (host)

2022	Speaker at Sigma Xi Chapter's Strawberry Festival (Sigma Xi president) Revisited - Womyn of Color anniversary viewing and discussion of <i>Voices of Color</i>
2021	Speaker at Celebration of Life of Constance Cain Hungerford (President)
2020	COVID group Zoom Q&A (invited by student organizers) Zoom panel discussion about S ³ P history and future (Advancement) STEM Panel for Discover Swarthmore Zoom event (Admissions) Faculty lunch presentation: Swarthmore Summer Scholars Program update

- Presentation about S³P at New Faculty Orientation (Associate Dean of the Faculty)
Zoom panel discussion about Coronavirus and anti-Asian attitudes (ORAA)
- 2019 Presentation about S³P at New Faculty Orientation (Associate Provost)
Presentations to students on Studying STEM at Swarthmore (Dean)
Annual Bathtub Debate, representing the Natural Sciences and winning! (Peaslee Debate Society)
Panelist – Honors program presentation to sophomore class (Honors Coordinator)
- 2018 Presentations to alumni in NYC, DC, SF about Swarthmore Summer Scholars (S³P) (Advancement)
Faculty lunch presentation about Swarthmore Summer Scholars (S³P) (David Harrison)
Presentation about S³P at New Faculty Orientation (Associate Provost)
Presentations to students on Studying Science at Swarthmore (Dean)
Swarthmore Faculty Lecture: A Tale of Two Projects: Breathing life back into microbiology research!
MULTI Interracial Relationships Panel, presenter
- 2017 Astrobiology lecture (with Eric Jensen) for Biology Club
Facilitator, Science Communication Workshop
Faculty lunch presentation about Swarthmore Summer Scholars (S³P) (David Harrison)
Faculty mentor, talk about health, nutrition and vaccines to Women's Varsity Basketball Team (Coach Renee Varney)
Presentation about S³P at New Faculty Orientation (Associate Provost)
Presentations to students on Studying Science at Swarthmore (Dean)
Special presentation to Student Academic Mentors: Studying Science at Swarthmore (Dean)
- 2016 Importance of professional societies, conferences, meetings (Global Health Forum)
Swatstruck Faculty Panel for Parents (Admissions)
Presentations to students on Studying Science at Swarthmore (Dean)
Female Identity in Academia: (Swarthmore Asian Association and Women's Resource Center)
Special presentation to Student Academic Mentors: Studying Science at Swarthmore
HHMI mentoring mini-grant: Workshop on how (and why) to attend a professional society meeting
- 2015 Presentations about Summer Scholars Program:
Faculty lunch (Associate Provost)
Parents' Council (VP Alumni/Development)
Multi on Campus: A Panel for the Exploration of Multiple Identities (Intercultural Center)
Science and Society faculty panelist (Students)
Co-emcee: Concert celebration President Smith's inauguration (inaugural committee)
Presentations to students on Studying Science at Swarthmore (Dean)
Panelist – Honors program presentation to sophomore class (Dean)
Special presentation to Student Academic Mentors: Studying Science at Swarthmore (Dean)
Presentation to Admissions Deans about Biology at Swarthmore
- 2014 Panelist for Sesquicentennial Book Tour, San Francisco, CA (Alumni)
Special presentation to Student Academic Mentors: Studying Science at Swarthmore
Panelist – Alumni Weekend presentation: Second Tuesday Science Café, funded by the Aydelotte Foundation
Panelist – faculty Lunch presentation: Second Tuesday Science Café, funded by the Aydelotte Foundation
Panelist for Ride the Tide Weekend (Admissions)
Panelist for Sesquicentennial Book Tour, Washington DC (Alumni)
WSRN radio interview: science literacy (Student broadcasters)
Center for Innovation and Leadership (Dean and Alumni Council)
- 2013 Special presentation to Student Academic Mentors: Studying Science at Swarthmore
Women in Academia Panel – Natural Sciences and Engineering (Swarthmore students)

2001 – 2012	Bioethics working group (convened by Amy Vollmer)
1999 - 2002	Biochemistry working group (convened by Amy Vollmer)
1996 – 1997	Biochemistry curriculum review committee (Chemistry Dept.)
1993	Interviewer for tenure track Asian-American literature position (English Dept.)
1990 - 1996	Comprehensive examiner, thesis reader for biochemistry (Chemistry Dept.)

Biology Department

2020	Coordinator, Biology 199: Senior Honors Study
2019	Course director, Biology 001: Cellular and Molecular Biology
2017	Course director, Biology 001: Cellular and Molecular Biology
2017	Coordinator, Themes in Biology lecture series (senior comprehensive)
2013 – 2016	Chair (appointed by Provost)
2013	Coordinator, Themes in Biology lecture series (senior comprehensive)
2012	Co-coordinator, Themes in Biology lecture series (senior comprehensive)
2011	Chair, Developmental Biology Search Committee
1992 - 2011	HHMI committee member (unless on leave)
2010 - 2011	Mentor, Sarah Hews, Bio-Math post doc (HHMI-funded)
2008	Bio Math search committee (HHMI supported)
2007	Course director: Biology 001: Cellular and Molecular Biology
2006	Coordinator, Themes in Biology lecture series (senior comprehensive)
2003 - 2005	Chair (appointed by Provost)
2003, 2004	Convener, Alumni Panels on Careers in Biology
1999 - 2005	Honors adviser and convener of Senior Honors Study in Biology
1999	Course director: Biology 001: Cellular and Molecular Biology
1996 - 1997; 1999 - 2000; 2002 – 2003	Budget Committee
1998 - 1999; 2001 – 2002	Bios club adviser
2000 – 2003	Science Center Construction - Building users group Biology representative
1995	Course director: Biology 001: Cellular and Molecular Biology

1993; 1997; 2002; 2005; 2009; 2016	Microbiology leave replacement, Search chair
1994; 1996	Laboratory technician, search committee
1995	Tenure track cell biologist, search committee
1993	Tenure track vertebrate physiologist, search committee
1995 - 1996	Social committee
1991	Course director: Biology 001: Cellular and Molecular Biology
1991 - 1993; 1994 - 1995	Curriculum committee
1992	Coordinator for Senior Evolution Seminar
1990 - 1991	Handbook committee
1990 – 2022	Academic advisor
