

Adding Chrome River Bookmark

Chrome

1. Click the  icon on the far right of the navigation bar.
2. Select **Bookmarks > Bookmark Manager**.
3. Click the  icon in the top right corner of the Bookmark Manager and select **Add New Bookmark**.
4. Enter a **Name** and the **URL**
<https://sid.swarthmore.edu/idp/profile/SAML2/Unsolicited/SSO?providerId=http://www.chromeriver.com/>. (Do not include www.)
5. Click **Save**.

Firefox

1. Click the  icon on the navigation bar to open the sidebar.
2. Right click in the Bookmarks menu and select **New Bookmark**.
3. Enter a **Name** and the URL
<https://sid.swarthmore.edu/idp/profile/SAML2/Unsolicited/SSO?providerId=http://www.chromeriver.com/> under **Location**. (Do not include www.)
4. Click **Add**.

Safari

1. In the address bar, copy and paste the following link,
<https://sid.swarthmore.edu/idp/profile/SAML2/Unsolicited/SSO?providerId=http://www.chromeriver.com/>.
2. After logging in, navigate to **Bookmarks > Add Bookmark** on the top toolbar. On the pop-up that displays, click **Add**.
3. From the top toolbar, navigate to **Bookmarks > Edit Bookmarks**. Find the Chrome River bookmark, right click and select **Edit Address**. Enter the URL
<https://sid.swarthmore.edu/idp/profile/SAML2/Unsolicited/SSO?providerId=http://www.chromeriver.com/> (do not include www.)
4. Click **Save**.
