Swarthmore College established the Child Care Subsidy Grant (CCSG) Program to help support parents and caregivers in managing the high costs of child care.

**HOW IT WORKS**
The CCSG Program offers grants of up to $3,000 annually (up to $1,500 for part-time employees) to benefits-eligible faculty and staff who meet eligibility criteria with a child or children ages 6 and younger. Grant amounts are based on the total number of applicants in a given year as well as available funds. Those who are eligible will receive the taxable award in a one-time payment via payroll. It is expected that the award will be used to offset child care costs incurred in 2019.

**WHO IS ELIGIBLE**

**Applicant**
You are eligible to apply for the CCSG if you:
- Are a College employee in a benefits-eligible position
- Have been in a benefits-eligible position for a minimum of one year
- Have at least one child under the age of 6 as of January 1, 2019
- Have a household adjusted gross income of $130,000 or less

**Your Partner**
If you are married, have a registered domestic partner, or share a household with the parent of your child(ren), they must be:
- Employed at at least 50% FTE, or
- A full-time student, or
- Unemployed, but actively looking for work, or
- Disabled (per the IRS, 2014: You are permanently and totally disabled if you cannot engage in any substantial gainful activity because of your physical or mental condition. A qualified physician must certify that the condition has lasted or can be expected to last continuously for 12 months or more, or that the condition can be expected to result in death.)

Please note that if you share a household with the other parent of your child(ren), they are considered your co-applicant. You will need to provide their financial documents in order to be considered for the CCSG.

**Your Children**
Your child(ren) must be:
- Your legal dependent(s) or, your “qualified person(s)” per your role as the Custodial Parent, verified by your previous year’s tax returns (this applies to foster or adopted children, per IRS Publication 17)
- 6 years old or younger
  - Families with a minor child over the age of six (6) who is not physically or mentally able to care for themselves (regardless of age) are also eligible.
**Your Income**
You must have a household adjusted gross income of $130,000 or less per year. You must prove your financial need by submitting appropriate tax and wage documentation. This includes a copy of your previous year’s tax return(s) and current pay stubs reflecting current projected income.

**ANNUAL GRANT AMOUNTS**
Grant amounts are based on an applicant’s household adjusted gross income, the number of children in the family, and their ages. Swarthmore only allows one grant per family per year, and the total cannot exceed $3,000 for full-time employees, or $1,500 for part-time employees. Grant amounts may change depending on the availability of funds and the number of qualified applicants. Your award confirmation letter will include the actual approved grant amount.
